A Coffin for Dimitrios By Eric Ambler

The classic story of an ordinary man seemingly out of his depth, this is Ambler's most widely acclaimed novel, "one of the masterpieces of the genre" (*The New York Times Book Review*).

A chance encounter with a Turkish colonel leads Charles Latimer, the author of a handful of successful mysteries, into a world of sinister political and criminal maneuvers. At first merely curious to reconstruct the career of the notorious Dimitrios, whose body has been identified in an Istanbul morgue, Latimer soon finds himself caught up in a shadowy web of assassination, espionage, drugs, and treachery that spans the Balkans.

From the Inside Flap

A chance encounter with a Turkish colonel with a penchant for British crime novels leads mystery writer Charles Latimer into a world of sinister political and criminal maneuvers throughout the Balkans in the years between the world wars. Hoping that the career of the notorious Dimitrios, whose body has been identified in an Istanbul morgue, will inspire a plot for his next novel, Latimer soon finds himself caught up in a shadowy web of assassination, espionage, drugs, and treachery.

Users Review

From reader reviews:

Patrina Eaton:

What do you concentrate on book? It is just for students as they are still students or this for all people in the world, the actual best subject for that? Just you can be answered for that query above. Every person has various personality and hobby per other. Don't to be forced someone or something that they don't want do that.
