Birds and Other Plays (Oxford World's Classics) By Aristophanes

This new verse translation of Aristophanes' comedies offers one of the world's great comic dramatists in a form that is both historically faithful and theatrically vigorous. Aristophanes' plays were produced for the festival theater of classical Athens in the fifth century BC and encompass the whole gamut of humor, from brilliantly inventive fantasy to obscene vulgarity. This edition includes a substantial general introduction and introductory essays for each of the plays, as well as full explanatory notes and an index of names.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

Editorial Review

Review

`I readily endorse the opinion that the general introduction (ix-lxvi) is 'superb' and the introductions to the individual comedies 'excellent'. The rock-bottom price suggests extensive sales are anticipated and rightly so.'

P. Walcot, Greece and Rome

About the Author

Stephen Halliwell is Professor of Greek at the University of St Andrews.
