How to be a Roman Dominatrix: Enjoy getting what you want from the kink in your relationship (and still feel good about it)! (Female Focused Femdom Book 1) By Giles English

You get to be yourself. He gets to be your slave. Everybody gets to be happy.

Why does modern bedroom Femdom have to be so much effort? What's in it for you? Ancient Roman ladies enjoyed having male slaves - perhaps we can learn from them...

Written from experience by an otherwise normal (!) submissive male, this book is for women who are sexually adventurous but have neither the time nor inclination to embrace BDSM culture just in order to satisfy their partner's fantasies of erotic domination.

It WON'T teach you to be a "good" dominatrix, nor guide you through clubs and munches, nor drill you in bondage, topping or protocols, nor help you negotiate scripted scenes, nor expect you to manipulate your man, nor urge you into a Female Led Relationship. It WILL use techniques drawn from modern psychology to help you build a strictly part-time Roman version of your relationship... and to make that mistress-slave relationship feel 100% real.

Never feel silly or awkward or at a loss. Always know what to do because you'll always be following your natural inclinations (unrestrained by consequences or fairness, of course).

Relax and be... self-indulgent, introvert, extrovert, mean, affectionate, playful, practical, flirtatious, sensual, clinical... Meanwhile, satisfy his fantasies as a by-product.

But why are you reading this description? Take a look inside the book and make up your own mind!
