Imaginary Friends (Word & Void series) By Terry Brooks

In 1997, New York Times bestselling author Terry Brooks reinvented the fantasy genre again, publishing the contemporary fantasy masterpiece *RUNNING WITH THE DEMON*, the first book in a trilogy of novels that would become known as the Word/Void series.

But in 1991, six years before *RUNNING WITH THE DEMON*, Terry Brooks began testing the mythos found in Word/Void and wrote a tale titled *IMAGINARY FRIENDS*, a short story published in the Lester del Rey anthology *ONCE UPON A TIME!*

IMAGINARY FRIENDS has been out of print ever since -- but no longer!

Jack McCall is ten days shy of his thirteenth birthday, a happy kid with wonderful parents, a great best friend, and a bright future. But after a series of headaches forces him to visit the family doctor, Jack discovers a dark secret about himself, one that threatens to destroy him.

All is not lost though. In mysterious Sinnissippi Park where he is banned to tread, Jack discovers unexpected help from the most unlikely of friends and begins a quest to locate the most potent of magics -- one he needs if he is to survive.

Here, for the first time in two decades, Terry Brooks fans can read the 8500-word short story *IMAGINARY FRIENDS*, featuring Sinnissippi Park and the first appearance of the elven creature Pick and his trusty owl Daniel!

Users Review

From reader reviews:

Debbie Davis:

Playing with family inside a park, coming to see the sea world or hanging out with buddies is thing that usually you may have done when you have spare time, then why you don't try issue that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Imaginary Friends (Word & Void series), you can enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its identified as reading friends.

Sandra McLean:

Imaginary Friends (Word & Void series) can be one of your beginning books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary that can increase your knowledge in words, easy to understand, bit entertaining however delivering the information. The article author giving his/her effort to set every word into enjoyment arrangement in writing Imaginary Friends (Word & Void series) yet doesn't forget the main position, giving the reader the hottest along with based confirm resource information that maybe you can be among it. This great information may drawn you into completely new stage of crucial thinking.

Lorenzo Davis:

Many people spending their moment by playing outside using friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading through a book. Ugh, you think reading a book really can hard because you have to bring the book everywhere? It all right you can have the e-book, taking everywhere you want in your Touch screen phone. Like Imaginary Friends (Word & Void series) which is having the e-book version. So , why not try out this book? Let's find.

Teresa Dawkins:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to

reach Chinese's country. So , this Imaginary Friends (Word & Void series) can make you really feel more interested to read.
