About the Author

The United States Department of Defense (DOD or DoD) is the federal department charged with coordination and supervising all agencies and functions of the government relating directly to national security and the military. The DOD is headquartered at the Pentagon in Arlington, Virginia. The Military Departments at the Pentagon publishes some of the very best manuals, handbooks and guidebooks on a wide range of topics; teaching skills, tactics and techniques. The content of these manuals are unmatched in depth, consider that some this knowledge is drawn from hundreds of years, thousands of man hours, and first hand operational experience. Also material in most of these manuals has been shared with other Military Branches providing even greater depth of subject matter. Military Manuals from the Department of Defense are unedited by outside individuals and or companies, this ensures the information is complete, current, and accurate as the military intended. Listed below you will see some of the major departments or components of the Department of Defense. Here you will find just a few book titles of the many sponsored works from each department.
