Also sprach Zarathustra/Thus Spoke Zarathustra: German/English Bilingual Text (German Edition) By Friedrich Nietzsche

Also sprach Zarathustra: Ein Buch für Alle und Keinen (Thus Spoke Zarathustra: A Book for All and None) is a philosophical novel by Friedrich Nietzsche, composed in four parts between 1883 and 1885. Hard to categorise, the work is a treatise on philosophy, a masterly work of literature, in parts a collection of poetry and in others a parody of and amendment to the Bible. Consisting largely of speeches by the book's hero, prophet Zarathustra, the work's content extends across a mass of styles and subject matter. Nietzsche himself described the work as "the deepest ever written". Due to the complexity of Nietzsche's prose it is at times impossible to translate his ideas accurately. By reading Nietzsche's original text along with Common's classic English translation it is hoped that the reader can better understand this dense work.

Editorial Review

About the Author

Friedrich Nietzsche was a German philosopher and author. Born into a line of Protestant churchman, Nietzsche studied Classical literature and language before becoming a professor at the University of Basel in Switzerland. He became a philosopher after reading Schopenhauer, who suggested that God does not exist, and that life is filled with pain and suffering. Nietzsche's first work of prominence was *The Birth of Tragedy* in 1872, which contained new theories regarding the origins of classical Greek culture. From 1883 to 1885 Nietzsche composed his most famous work, *Thus Spoke Zarathustra*, in which he famously proclaimed that God is dead. He went on to release several more notable works including *Beyond Good and Evil* and *The Genealogy of Morals*, both of which dealt with the origins of moral values. Nietzsche suffered a nervous breakdown in 1889 and passed away in 1900, but not before giving us his most famous quote, *From life's school of war: what does not kill me makes me stronger*.

Users Review

From reader reviews:

Kurt Haney:

What do you regarding book? It is not important along with you? Or just adding material if you want something to explain what your own problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everyone has many questions above. They should answer that question mainly because just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this particular Also sprach Zarathustra/Thus Spoke Zarathustra: German/English Bilingual Text (German Edition) to read.

Leopoldo Gonzalez:

Now a day those who Living in the era wherever everything reachable by interact with the internet and the resources inside can be true or not involve people to be aware of each facts they get.
