First Family (King & Maxwell) By David Baldacci

Following the instant #1 New York Times bestseller Simple Genius, Sean King and Michelle Maxwell return in David Baldacci's most heart-pounding thriller to date . . .

FIRST FAMILY

It began with what seemed like an ordinary children's birthday party. Friends and family gathered to celebrate. There were balloons and cake, games and gifts. This party, however, was far from ordinary. It was held at Camp David, the presidential retreat. And it ended with a daring kidnapping . . . which immediately turned into a national security nightmare.

Sean King and Michelle Maxwell were not looking to become involved. As former Secret Service agents turned private investigators, they had no reason to be. The FBI doesn't want them interfering. But years ago, Sean King saved the First Lady's husband, then a senator, from political disaster. Now, Sean is the one person the First Lady trusts, and she presses Sean and Michelle into the desperate search to rescue the abducted child.

With Michelle still battling her own demons, and forces aligned on all sides against her and Sean, the two are pushed to the absolute limit. In the race to save an innocent victim, the line between friend and foe will become impossible to define . . . or defend.

Editorial Review

From Publishers Weekly

Starred Review. Plenty of intense action drives bestseller Baldacci's stellar fourth novel to feature former Secret Service agents Michelle Maxwell and Sean King (after *Simple Genius*). Maxwell and King, D.C. PIs, step on the toes of everyone, including the FBI and the Secret Service. They even manage to bruise the ego of First Lady Jane Cox, who hires them after her 12-year-old niece is kidnapped following a birthday party at Camp David. Baldacci excels at making the improbable believable as one obsessed man, 62-year-old Sam Quarry, takes on the best security the U.S. can muster from his Alabama redoubt. Even more impressive than Quarry's determined campaign is the ingeniousness with which Baldacci manages to disguise both Quarry's precise motivation and aims. Meanwhile, Maxwell has to deal with her mother's death and a host of other personal issues. Baldacci's careful plotting and confident depictions of national security procedures make this a thinking man's thriller. (Apr. 21)

Review

"Ron McLarty is the perfect choice to present Baldacci's latest thriller. His clear, strong voice shifts effortlessly among the story's varying passages of sadness, anger, and irony. His facility with multiple characters of both genders and many ages, races, and regional accents enables the listener easily to keep track of everyone. Music and sound effects, used liberally in the opening sequences, trail off as the story progresses, becoming less frequent and lower in volume with each chapter. Too bad-their use enhances the story." (**AudioFile**)

About the Author

David Baldacci lives with his family in Virginia. He and his wife have founded the Wish You Well Foundation, a nonprofit organization dedicated to supporting literacy efforts across America. This First Family (King & Maxwell) tend to be reliable for you who want to be described as a successful person, why. The reason why of this First Family (King & Maxwell) can be one of several great books you must have is usually giving you more than just simple looking at food but feed you actually with information that probably will shock your earlier knowledge. This book is usually handy, you can bring it everywhere you go and whenever your conditions at e-book and printed versions. Beside that this First Family (King & Maxwell) giving you an enormous of experience such as rich vocabulary, giving you trial run of critical thinking that could it useful in your day activity. So , let's have it and enjoy reading.

Bonnie Mentzer:

Reading a book to get new life style in this year; every people loves to examine a book. When you read a

book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your study, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, as well as soon. The First Family (King & Maxwell) will give you new experience in reading through a book.

Diane Numbers:

Within this era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple approach to have that. What you have to do is just spending your time very little but quite enough to have a look at some books. On the list of books in the top listing in your reading list will be First Family (King & Maxwell). This book that is certainly qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking upwards and review this book you can get many advantages.

Angel Sullivan:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this First Family (King & Maxwell) can make you truly feel more interested to read.
