Inspired Talks By Swami Vivekananda

PREFACE

This invaluable book is published for the second time. In this edition I have added a few notes where Swamiji's utterances may appear to be abrupt and unconnected. Some typographical mistakes also have been attended to and no pains have been spared to make it intelligible to all readers and free from all errors, as far as possible.

Swamiji is known all over the world as the greatest and most powerful exponent of the Vedanta in modern times. Many have felt the irresistible charm of his eloquence in India and abroad. In the present case Swamiji did not stand before a vast and critical audience to

conquer them by his irrefutable arguments based upon sound logic, his bewitching personality and his rare gifts of explaining the most abstruse subjects in a most perspicuous manner accompanied by his "cyclonic" eloquence, but he was sitting before a few of his already conquered chosen disciples who had begun to see in him their only guide to take them beyond the ocean of ignorance and misery. There he sat in the glory of his own all-illuminating realisation diffusing the balmy rays of his inner light by means of his most sweet and musical voice, all about him, softly raising and opening the lotus buds of the hearts of his ardent devotees. Peace reigned all around him. Blessed indeed were those few fortunate souls who had the rare privilege of sitting at the feet of such a great sage and Guru.

The cyclonic monk was not there carrying everything before him. There sat the peaceful

Rishi mildly disseminating the messages of peace and bliss to a few ardent souls fully ripe to receive them. How illuminating and solacing were those sweet words coming out of his holy mouth like the smiling and breezy Dawn coming out of the lap of the bright and ruddy east and driving away the darkness before her. If

those words had the power to console a few souls, they must have the power to bring comfort to all souls and blessed be the mother-heart of that loving disciple who preserved those saving words and did not allow them to be lost in the abysmal womb of Eternity. To mother Haridasi (Miss S. Ellen Waldo) the whole world should be grateful for these "inspired" talks of Swamiji which have brought into existence the present volume. There cannot be a better friend and a better guide to all humanity than this. Whoever will taste the nectar in it is sure to know that death has no power over him,

May every soul seeking for illumination, rest and peace have recourse to it to end his or her miseries once for all.
