Editorial Review

From the Publisher

Kumon workbooks are based on the "Kumon Method", an educational philosophy that aims at unlocking the full learning potential of each individual child. The Kumon Method introduces learning concepts in an incremental, step-by-step approach, allowing children to master new skills easily and without anxiety or frustration. As a result, children gain confidence in their abilities and are motivated to learn on their own.

Over 3.5 million children around the world use the Kumon Method to develop their math and reading skills. Kumon Math and Reading Centers help students become successful, confident and self-motivated learners.

But it's not just the Kumon Method that makes our workbooks special. It's also the care and research that goes into the editorial content, design and quality of the books. Our editorial experts have more than two decades of experience in producing books that are both fun and educational. Our designers create illustrations that attract and delight children. And the quality of our books is the best of any workbook on the market, with extra thick paper and the best available print quality. From pedagogy to paper, every one of our workbooks has been carefully crafted with your child's best interests in mind.
