Editorial Review

From the Back Cover

Practical, step-by-step tips for players of all levels

From snooker to carom to good, old-fashioned 8- or 9-ball, *Pool & Billiards For Dummies* reveals the tips, tricks, and rules of play, covering the variety of the ever-popular games that make up pool and billiards. This hands-on guide discusses everything from the rules and strategies of the games to how to set up your very own poolroom.

- Gearing up — find, buy, and maintain the cue that's best for you and accessorize your game with chalk, racks, lights, and triangles
- Get schooled on the fundamentals of pool — find out how to build a solid stance; get a feel for aiming; and create a dependable, consistent stroke
- Control the cue ball — discover how to control the movement of the cue ball to make stop shots and incorporate topspin, backspin, and sidespin
- Take your best shot — follow instructions on tackling common shots, eyeing combinations, and playing offensively and defensively
- Oh, the games you'll play — get the rules and strategies for playing 8-ball, 9-ball, multiplayer games, and professionals' games

Open the book and find:

- The differences between pool and billiards
- Game-winning strategies no matter what version of the game is played
- Helpful diagrams and photos
- Drills for all skills
- Games to measure your progress
- The etiquette of pool
- Coverage of the Ghost Ball System
- The secrets of creating a powerful break shot
- Tips on finding the right cue for you

Learn to:

- Play by the rules and develop game-winning strategies for the most popular games
- Hold the stick correctly and hit the cue ball properly
- Play like a champion regardless of your experience
- Perform trick shots to amaze your friends

Users Review

From reader reviews:

Catherine Gabel:

Have you spare time for the day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a stroll, shopping, or went to the Mall. How about open or even read a book eligible Pool and Billiards For Dummies? Maybe it is for being best activity for you. You realize beside you can spend your time along with your favorite's book, you can better than before. Do you agree with its opinion or you have some other opinion?

Marie Daugherty:

Nowadays reading books be than want or need but also get a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want experience happy read one together with theme for entertaining including comic or novel. The particular Pool and Billiards For Dummies is kind of reserve which is giving the reader capricious experience.

Linda Griffin:

Exactly why? Because this Pool and Billiards For Dummies is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of benefits than the other book possess such as help improving your proficiency and your critical thinking technique. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.

Genia Vanderford:

Some individuals said that they feel weary when they reading a guide. They are directly felt that when they get a half elements of the book. You can choose the book Pool and Billiards For Dummies to make your current reading is interesting. Your own personal skill of reading ability is developing when you like reading. Try to choose straightforward book to make you enjoy to read it and mingle the idea about book and reading especially. It is to be first opinion for you to like to start a book and read it. Beside that the e-book Pool and Billiards For Dummies can to be your brand-new friend when you're really feel alone and confuse using what must you're doing of the time.
