Facing dangerous trials and tests, it's a true baptism by fire. And if they fail, millions could die. And rivers of blood would flow throughout the land.

Editorial Review

Review

“An exciting, fast-paced, religious thriller that will draw in even the most cynical reader with its mash-up of science and faith. Fans of Jim Butcher’s *Harry Dresden* and Richard Kadrey’s *Sandman Slim* will enjoy.” (Library Journal (starred review -- Debut of the Month))

“[An] entertaining supernatural adventure about the war between angels and demons — literal and metaphorical — on the streets of Chicago...Snipes has just as much punch with a keyboard as with his fists, and the realm of urban fantasy has an impressive new disciple.” (USA Today)

“The action in this urban fantasy novel is as cinematic as one would expect from movie star Snipes and co-author Norman...an entertaining thriller with enough swordplay, religious prophecy, and demonic threats to entertain readers across lots of different genres.” (Kirkus Reviews)

“Snipes’ first foray into fiction is a grand-scale showdown with the fate of Heaven and Earth hanging in the balance. Snipes and Norman make a solid writing team, bringing their own talents to produce a tale ... packed with high-stakes action.” (RT Book Reviews)

“An action-packed tale... it is impossible to not imagine Snipes playing *Talon* in a movie adaptation.” (Booklist)

“Snipes’s action-filled debut with ...[Ray] Norman is sure to be as hot as the summer sun.” (*Library Journal*)
