The Bravehearted Gospel: The Truth Is Worth Fighting For By Eric Ludy

Eric Ludy calls believers to put a stop to an alarming trend in today's church. Contemporary culture has accused Christians of being politically incorrect, unloving, and narrow-minded in their devotion to God and His Word. And the church has unwittingly played right along:

- It has grown to have more in common with the world than with Christ
- It seems more concerned about pleasing men than God
- It sets aside the pursuit of eternal truth for the pursuit of temporal pleasures

How serious is the problem, and what are the solutions? What does a bravehearted kind of Christianity look like?

Eric presents the Christianity of the Bible as the most explosive, most vibrant, most extraordinary force on Earth—a force meant to bring glory to the Most High God and turn people's hearts in His direction. After reading *The Bravehearted Gospel*, no Christian will ever want to go back to "Christianity as usual"!
