## **The Essential Nostradamus for the 21st Century: Prophecies for the Next 100 Years** By John Hogue

Nostradamus, the 16-th century physician and prophetic giant, has a lot to say about the 21st century and beyond. The man who hundreds of times accurately foresaw Napoleon, Hitler, the World Wars, and the American, French, and Russian revolutions, and man walking on the moon, did not lay down his pen after seeing the events leading up to the year 2000. His history of the future continues for at least another 1,797 years. Here is a book, by the world expert on Nostradamus, that in 54 pages decodes the prophet's sometimes confusing words of prophecy and takes you through a fundamental examination of the master prophet's life and magical practices.
