Voice of an Angel : My Life (So Far) By Charlotte Church

Charlotte Church is 14 years old, but with the voice of a 23-year-old. She lives with her parents, Maria and James, in Cardiff. Her first stage appearance was at the age of three during a seaside holiday in Caervarvon. By the time she was eight the purity of her voice had won her many local singing competitions and when she responded to a request from a daytime television programme to hear from 'talented kids' the sound of her voice singing on the phone caused the producers to invite her on to the show, which she completely stole. She was soon signed up by Sony Classical, and after the release of her album, Voice of an Angel, she was invited to perform for the Prince of Wales' 50th birthday celebrations at the Albert Hall, for Pope John Paul's Christmas concert at the Vatican and for President Clinton at the White House. Her ambition is to sing at La Scala, Milan.

Editorial Review

From Publishers Weekly

Fifteen-year-old Charlotte Church is an international sensation whose first album went double platinum and topped the British classical music charts. She's also a normal teenager who still goes to school and stays up all night gossiping and eating candy when her three best friends sleep over. In *Voice of an Angel: My Life So Far*, she provides these and other glimpses of her everyday life and recounts her humble childhood in Wales (her father is a former factory laborer), as well as her thrilling rise to stardom and brushes with famous people throughout the world. Raised Catholic, she describes meeting the pope in reverential terms, but she has also met Bill Clinton, Prince Charles and the Queen of England. Her fans will welcome this surprisingly sincere and down-to-earth autobiography.

From School Library Journal

Adult/High School-Despite some flaws in this purportedly autobiographical rendering of the 15-year-old's family life and performance career to date, this book should enjoy a wide audience. Teens may find sufficient intrigue in the anecdotes, in Church's likes and dislikes, as well as in her thumbnail impressions of contemporary entertainers and international dignitaries to overcome the heavy sense of editorial handling that imbues the text. Readers are first introduced to the singer's childhood in Wales and to the texture of her family relationships, along with comments on each relative's influence upon her rapidly developing career. Selected photographs convey a further sense both of her family circle and of the youthful age at which she signed a contract with Sony Music to become a talent with global visibility. Many girls will relate to the mayhem surrounding the "wardrobe crisis incident." And any student who has taken music lessons, vocal or instrumental, will enjoy the passages about Lulu, Church's voice coach, whose no-nonsense approach to training is depicted as combining discipline with liberal doses of humor and affection. To enrich an appreciation of the story, encourage readers to play a recording of the 1998 double platinum album *Voice of an Angel* while reading this book.
