Walk the Edge By Katie McGarry

One moment of recklessness will change their worlds

Smart. Responsible. That's seventeen-year-old Breanna's role in her large family, and heaven forbid she put a toe out of line. Until one night of shockingly un-Breanna-like behavior puts her into a vicious cyberbully's line of fire—and brings fellow senior Thomas "Razor" Turner into her life.

Razor lives for the Reign of Terror motorcycle club, and good girls like Breanna just don't belong. But when he learns she's being blackmailed over a compromising picture of the two of them—a picture that turns one unexpected and beautiful moment into ugliness—he knows it's time to step outside the rules.

And so they make a pact: he'll help her track down her blackmailer, and in return she'll help him seek answers to the mystery that's haunted him—one that not even his club brothers have been willing to discuss. But the more time they spend together, the more their feelings grow. And suddenly they're both walking the edge of discovering who they really are, what they want, and where they're going from here.

Editorial Review

From School Library Journal

Gr 9 Up—Breanna is the smart, quiet, and weird girl. Her daily goal is to remain invisible. With a large family who sees her more as an annoying parent than a sibling, and classmates who view her as a freak, Breanna just wants to get out of this town and start a new life. She is propositioned by Kyle, a cool jock at her high school, to write his papers in exchange for popularity, but she just wants to be left alone. Razor, a member of the ominous Reign of Terror motorcycle club, cannot let go of the questions he has about his family's past. Why will no one tell him what they know about his mother's death? Razor must trust the club. But how can he trust them if they are keeping important information from him? When Breanna first meets Razor, she knows speaking to him is wrong. But maybe he can help her with Kyle. And maybe she can help Razor uncover what really happened to his mom. Can a good girl and a bad boy work together to solve each other's problems? In this stand-alone second installment of the "Thunder Road" series, McGarry develops a daring love story filled with blackmail, revenge, and unexpected trust. VERDICT McGarry once again creates an incredible story with two dynamic protagonists. YA romance fans will be thrilled by her latest.—Jessica Streffling, US Court of Appeals, Federal Circuit Library

Review

Praise for Walk the Edge:

"An intoxicating and unforgettable romance that kept me me glued to the page." -- Kami Garcia, #1 *New York Times* bestselling coauthor of *Beautiful Creatures* & author of *The Lovely Reckless*

"There's something about McGarry's writing that's totally enthralling. Her characters are vivid, flawed and riveting, making this is a truly amazing read!" ~ RT Book Reviews

"Katie McGarry is a master of her craft! Raw emotion, pure grit, I hang on every word. Her characters are real people with real problems and I cheer them every step of the way. Ready for a new addiction? Look no further than Katie McGarry's books." ~ Gena Showalter, Bestselling Author of *Firstlife*

"I finished WALK THE EDGE by the amazing Katie McGarry. It was SO good that now I feel bereft. I already miss Razor & Bre - I need to know more! She is by far my #1 favorite author. She paints a picture with the words, puts you IN the story... LOVE." ~ Lori Foster, *New York Times* Bestselling Author

About the Author
