From the Inside Flap

"I'd really like to kiss you."

And then she did, and Gabe's universe expanded to include the sensation of soft lips on his own, the exchange of warm breath, and throb in his lower belly that was near pleasure/pain. He had no idea why he let her do it except that she seemed so precious and fragile, so vulnerable, as though she offered him her loneliness and her sorrows along with her body.

Heaven help him, he could not help but drink them in.

Closer she moved, and closer still, until her breasts were against his chest, and it was this that broke the spell; the desire to put his arms around her and drag her even closer came over him like a wave, and with it came the knowledge that if he let it, he would drown.

"Abruptly he jerked his head back, ending the kiss. "Stop," he whispered, looking into her eyes. "You must stop."

From the Back Cover

Forbidden fruit is always the sweetest...

...and no one knows that better than Sammy Divine, High Prince of Darkness. Once an angel, now cast down, Sammy's out to prove he's not the only angel who can be led into temptation...

Hope Henderson's sister has disappeared without a trace, and Hope will do anything to find her--even make a deal with the Devil. An ancient text holds the key to unspeakable power, and it's the Archangel Gabriel's job to make sure it stays hidden, even if he has to become human to do it. Lives, love and the fate of the world hang in the balance, as Hope and Gabriel learn that when passion's involved, it may be impossible to withstand a devil named desire.
