All Fall Down (Embassy Row, Book 1) By Ally Carter

Grace Blakely is absolutely certain of three things:

1. She is not crazy.
2. Her mother was murdered.
3. Someday she is going to find the killer and make him pay.

As certain as Grace is about these facts, nobody else believes her -- so there's no one she can completely trust. Not her grandfather, a powerful ambassador. Not her new friends, who all live on Embassy Row. Not Alexei, the Russian boy next door, who is keeping his eye on Grace for reasons she neither likes nor understands.

Everybody wants Grace to put on a pretty dress and a pretty smile, blocking out all her unpretty thoughts. But they can't control Grace -- no more than Grace can control what she knows or what she needs to do. Her past has come back to hunt her . . . and if she doesn't stop it, Grace isn't the only one who will get hurt. Because on Embassy Row, the countries of the world stand like dominoes, and one wrong move can make them all fall down.

Editorial Review

From School Library Journal

Gr 8 Up—Carter fans will not want to miss this series launch. Sixteen-year-old Grace Blakely is sent to live with her grandfather, a diplomat stationed in Adria. She is determined to solve the mystery of her mother's death three years prior. Despite what the evidence and witnesses prove, Grace is sure of one fact: her mother's killer is out there, and she is going to prove it. The story introduces many characters who do not hesitate to assist Grace with her covert plan, but many of these relationships are not fully developed, thus promising more to come. A subtle hint of romance between Grace and one of the male characters will encourage readers to anticipate the next book in the series. Eileen Stevens does an excellent job of portraying the stuffy character of Grace's grandfather, the ambassador, as well as the various prime ministers and their family members. Her characterization of Grace is well presented; at times, Grace appears brave and fearless—but not always. VERDICT This mystery keeps listeners intrigued and interested in Grace's future visits to Embassy Row.—Sheila Acosta, San Antonio Public Library

Review

Praise for *All Fall Down*:

"Action packed and meticulously plotted... Readers will be clamoring for the next book in the series." -- *Booklist*

"Carter knows how to construct a gripping thriller." -- *Publishers Weekly*

"With its intrigue and clever plot twists, this series opener will leave readers hungering for more." -- *School Library Journal*
