Dancing Through History By Joan Cass

Setting dance within a cultural context that is both understandable and interesting, this insightful reference captures the true art form of dance and traces the activity of dance as it existed down through the ages and all over the world. Beginning with the origins of dance and moving on to what takes place on Western dance stages today, this volume offers a sweeping overview of primitive, ethnic, and folk dance forms ... examines the major branches of Western dance art including ballet from its inception in 16th century Europe, modern dance, jazz, avant-garde, and the international eclectic contemporary scene ... tracks the repertory, technical training of performers, and creative theory of the many traditions that unify this art form ... includes discussions of significant dancers, their contributions, and the performers that inspired them; the background of period styles; pertinent ideas of major choreographers; capsule biographies of outstanding dance artists; effects of music and design on choreography; national characteristics of dance; the psychology of performers; and coverage on such concepts as Classic, Romantic, and Avant-garde to clarify trends and invoke thought on the Dance Art and society ... and makes many comparisons to current day events. Suitable for anyone involved or interested in dance history.

Users Review

From reader reviews:

Nancy Hedrick:

Do you one of people who can't read gratifying if the sentence chained from the straightway, hold on guys that aren't like that. This Dancing Through History book is readable simply by you who hate those straight word style. You will find the info here are arrange for enjoyable reading through experience without leaving even decrease the knowledge that want to give to you. The writer connected with Dancing Through History content conveys the thought easily to understand by most people. The printed and e-book are not different in the content but it just different by means of it. So , do you continue to thinking Dancing Through History is not loveable to be your top record reading book?

Opal Moffett:

Nowadays reading books become more and more than want or need but also get a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The details you get based on what kind of e-book you read, if you want attract knowledge just go with knowledge books but if you want truly feel happy read one having theme for entertaining such as comic or novel. Typically the Dancing Through History is kind of guide which is giving the reader erratic experience.

John Yates:

A lot of people always spent their very own free time to vacation or go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent many people free time just watching TV,

or maybe playing video games all day long. If you want to try to find a new activity here is look different you can read a book. It is really fun for you. If you enjoy the book you read you can spent the whole day to reading a publication. The book Dancing Through History it is quite good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. If you did not have enough space to create this book you can buy the particular e-book. You can m0ore simply to read this book out of your smart phone. The price is not to cover but this book possesses high quality.

Thomas Rice:

That publication can make you to feel relax. That book Dancing Through History was bright colored and of course has pictures on the website. As we know that book Dancing Through History has many kinds or variety. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and believe you are the character on there. Therefore , not at all of book tend to be make you bored, any it offers you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading that will.
