## Devoted to God: Blueprints for Sanctification By Sinclair B. Ferguson

Christians are transformed by the renewing of their minds. They understand that in large measure how they think about the gospel will determine how they will live for God's glory. They learn to allow the word of God to do its own work, informing and influencing the way they think in order to shape the way they live.

In a series of Scripture-enriched chapters Sinclair B. Ferguson's *Devoted to God* works out this principle in detail. It provides what he describes as '**blueprints for sanctification**' an orderly exposition of central New Testament passages on holiness. *Devoted to God* thus builds a strong and reliable structural framework for practical Christian living. It stresses the foundational importance of fundamental issues such as union with Christ, the rhythms of spiritual growth, the reality of spiritual conflict, and the role of God's law. Here is a fresh approach to an always relevant subject, and a working manual to which the Christian can turn again and again for biblical instruction and spiritual direction.
