Freddie Mercury: the Show Must Go on By Rick Sky

'I always knew I was a star. Now the rest of the world seems to agree with me.' Freddie Mercury Twenty years after his death, Freddie Mercury remains one of the world's most enigmatic figures. He was celebrated as an international icon during his life, his death sent shockwaves around the world and his effect on British music, culture and society is palpable today. But how did the sweet, shy boy from a small island off the Tanzanian coast become the lightning force behind Britain's most phenomenal rock band? Freddie Mercury: The Show Must Go On is an absorbing and intriguing account of Freddie's life, from the first days to the last. Former showbiz reporter Rick Sky was there at the time: he knew Freddie for 15 years, interviewing him on numerous occasions around the world from London to Munich to New York, sharing his thoughts and feelings as he changed from a young man into a star. Few others can claim such access or such insight into Freddie's mind. First published in 1992, this book was the first biography of Freddie released after his death. Now revised and updated, with beautiful photography of the flamboyant star and a fascinating look at the impact his death had on his friends, his family and society at large, this celebration of his life is brought back to the world. Freddie's story is one of a life lived to extremes, without limits; of hedonism, contradictions and heartbreaking internal struggles; of an individual who was -- and still is -- profoundly unknowable. A percentage of the royalties from this book will be donated to the Terrence Higgins Trust. This was one of the first HIV foundations established and was a charity close to Freddie's heart.

Users Review

From reader reviews:

Helen Wright:

What do you think about book? It is just for students as they are still students or the item for all people in the world, the particular best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great and important the book Freddie Mercury: the Show Must Go on. All type of book are you able to see on many sources. You can look for the internet options or other social media.

Dennis Thorpe:

Reading can called brain hangout, why? Because when you are reading a book specially book entitled Freddie Mercury: the Show Must Go on your brain will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging each and every word written in a book then become one contact form conclusion and explanation which maybe you never get before. The Freddie Mercury: the Show Must Go on giving you yet another experience more than blown away your mind but also giving you useful details for your better life with this era. So now let us explain to you the relaxing pattern the following is your body and mind will likely be pleased when you are finished examining it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Matthew Siller:

This Freddie Mercury: the Show Must Go on is great reserve for you because the content that is full of information for you who else always deal with world and have to make decision every minute. This kind of book reveal it data accurately using great organize word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Freddie Mercury: the Show Must Go on in your hand like finding the world in your arm, data in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen small right but this publication already do that. So , this is good reading book. Hey Mr. and Mrs. busy do you still doubt that?

Irma Tijerina:

A lot of publication has printed but it differs from the others. You can get it by internet on social media. You can choose the best book for you, science, witty, novel, or whatever by means of searching from it. It is known as of book Freddie Mercury: the Show Must Go on. You can contribute your knowledge by it.

Without leaving behind the printed book, it could possibly add your knowledge and make you happier to read. It is most significant that, you must aware about guide. It can bring you from one location to other place.
