Grief and Loss: Theories and Skills for the Helping Professions (2nd Edition) By Katherine Walsh

Provides a variety of case examples applying theory to practice when working with those dealing with grief and loss.

Grief and Loss: Theories and Skills for the Helping Professions, 2/e, allows readers to see how essential theories and skills will enhance their own practice. They will gain the core knowledge and skills needed to work with individuals, families, groups, and communities who are experiencing loss and the grief that accompanies it

Culture, spirituality, age, gender and other factors that influence grief reactions are discussed, helping readers understand and work with diverse populations. Individual and programmatic responses to grieving people are also included. Each chapter contains exercises that encourage readers to apply the concepts learned and MySocialWorkLab includes a variety of Internet resources and supplemental learning tools.

Learning Goals

Upon completing this book, readers should be able to:

- Acquire core knowledge and skills that will prepare readers to work with individuals, families, groups, and communities who are experiencing loss and the grief that accompanies it
- Understand normal and complicated grief reactions
- Identify actual as well as symbolic losses
- Recognize the factors that positively and negatively influence grief reactions
- Understand the resources and interventions that are effective in helping those who are grieving

Editorial Review

About the Author

Katherine Walsh has been teaching social workers and other helping professionals while maintaining her own grief work practice for 30 years. A past president of the Association of Oncology Social Work, Director of Psychosocial Services for Hospice, a Clinical Supervisor and tenured Professor of Social Work, Dr. Walsh has won numerous service and leadership awards, authored many book chapters and peer reviewed journal articles and led international exchange programs in End of Life Care in China, Cambodia and Hungary for the National Association of Social Workers. Her own practice and collaborative relationships with students and colleagues have produced a wealth of case examples from a wide variety of settings including schools, hospitals, correctional facilities and foster care agencies as well as traditional social service and mental health settings.

Users Review
