Texian Iliad: A Military History of the Texas Revolution By Stephen L. Hardin

**Winner, T. R. Fehrenbach Book Award Texas Historical Commission
Summerfield G. Roberts Award Sons of the Republic of Texas
Honorable Mention, Certificate of Commendation, American Association
for State and Local History**

Hardly were the last shots fired at the Alamo before the Texas Revolution entered the realm of myth and controversy. French visitor Frederic Gaillardet called it a "Texian Iliad" in 1839, while American Theodore Sedgwick pronounced the war and its resulting legends "almost burlesque."

In this highly readable history, Stephen L. Hardin discovers more than a little truth in both of those views. Drawing on many original Texan and Mexican sources and on-site inspections of almost every battlefield, he offers the first complete military history of the Revolution. From the war's opening in the "Come and Take It" incident at Gonzales to the capture of General Santa Anna at San Jacinto, Hardin clearly describes the strategy and tactics of each side. His research yields new knowledge of the actions of famous Texan and Mexican leaders, as well as fascinating descriptions of battle and camp life from the ordinary soldier's point of view.

This award-winning book belongs on the bookshelf of everyone interested in Texas or military history.

Editorial Review

Review

"In Texian Iliad you smell the smoke of battle." (Paula Mitchell Marks *Texas Monthly*)

"Hardin has succeeded admirably in writing a balanced military history of the revolution, making an important contribution to the extensive body of work on the struggle that eventually led to Texas' becoming part of the United States." (Mike Cox *Austin American-Statesman*)

"I look forward to consulting this book for the rest of my career!" (David J. Weber, Robert and Nancy Dedman Professor of History, Southern Methodist University)

Review

I look forward to consulting this book for the rest of my career! (David J. Weber, Robert and Nancy Dedman Professor of History, Southern Methodist University)

From the Back Cover

Hardly were the last shots fired at the Alamo before the Texas Revolution entered the realm of myth and controversy. French visitor Frederic Gaillardet called it a "Texian Iliad" in 1839, while American Theodore Sedgwick pronounced the war and its resulting legends "almost burlesque". In this new, highly readable history, Stephen L. Hardin discovers more than a little truth in both of those views. Drawing on many original Texan and Mexican sources and on-site inspections of almost every battlefield, he offers the first complete military history of the Revolution. From the war's opening in the "Come and Take It" incident at Gonzales to the capture of General Santa Anna at San Jacinto, Hardin clearly describes the strategy and tactics of each side. His research yields new knowledge of the actions of famous Texan and Mexican leaders, as well as fascinating descriptions of battle and camp life from the ordinary soldier's point of view. This in-depth coverage reveals the gallantry displayed by individuals on both sides of the conflict, as well as the atrocities of war. Most of all, it provides a balanced view of the Revolution that fairly assesses the conduct of both Texans and Mexicans. Texian Iliad belongs on the bookshelf of everyone interested in Texas or military history, as well as of general readers who want the facts behind the legends.

Users Review

From reader reviews:

Beverly Dyar:

What do you think about book? It is just for students as they are still students or it for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book Texian Iliad: A Military History of the Texas Revolution. All type of book would you see on many options. You can look for the internet sources or other social media.

Jeff Jaco:

The publication with title Texian Iliad: A Military History of the Texas Revolution has a lot of information that you can understand it. You can get a lot of profit after read this book. This particular book exist new expertise the information that exist in this book represented the condition of the world at this point. That is important to yo7u to find out how the improvement of the world. This book will bring you with new era of the syndication. You can read the e-book on the smart phone, so you can read it anywhere you want.

Georgette Tang:

Reading a book to become new life style in this calendar year; every people loves to learn a book. When you examine a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your examine, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this kind of us novel, comics, along with soon. The Texian Iliad: A Military History of the Texas Revolution provide you with a new experience in looking at a book.

Lynne Silva:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Texian Iliad: A Military History of the Texas Revolution can make you really feel more interested to read.
