The Devil's Apocrypha: There are two sides to every story By John DeVito

"The battle between good and evil began long ago.

Before the birth of humanity, God and Satan fought for the domination of heaven. And, as everyone knows, God was triumphant over Satan's evil. The tale has been told for thousands of years.

But it's all a lie.

A manuscript has been discovered, written over a century ago by a priest who was visited by the Devil himself. A priest who left the church to seek out Three Mad Prophets and learn the truth.

An Amazon.com bestseller, The Devil's Apocrypha is a tale that begins in another universe, before creation, and ends with a chilling prophesy. Here is the truth about the origin of God, his journey to our universe, and the battle for heaven. Discover why God manipulated the flesh of our race, the reason for his commandments...and why one being dared to try and stop him.

This is the true story of Satan and God...and it's unlike anything you've been told.
