Editorial Review

Review

'I feel that these books are the most refreshing of recent opening products, and wonderful for anyone wishing to get off of the main theoretical paths.'

Award-winning author John Watson reviewing the *Dangerous Weapons* series for *The Week in Chess*.

'The book should be welcomed by all tournament players who like to see their pieces flying.'

Grandmaster Lubomir Kavalek reviewing *Dangerous Weapons: The Nimzo-Indian* for *Washington Post*.

'Whoever absorbs this wealth of original analysis can expect exciting games and some quick wins, with both colours!'

James Vigus, reviewing *Dangerous Weapons: The Sicilian* for *British Chess Magazine*.

From the Back Cover

Are you tired of playing the same old openings time and time again? Perhaps it's time for a change, but you cannot decide between the numerous options available? Here's the answer: choose *Dangerous Weapons* and amaze your opponents with new and exciting opening ideas!

In this book, four renowned opening experts get together to take a revolutionary look at the Benoni, the Benko and all their associated variations. Instead of travelling down well-trodden and analysed paths, they concentrate on fresh or little-explored variations, selecting a wealth of 'dangerous' options for both colours. Whether playing White or Black, a study of this book will leave you confident and fully-armed, and your opponents running for cover!

Dangerous Weapons is a series of opening books which supply the reader with an abundance of hard-hitting ideas to revitalize his or her opening repertoire. Many of the carefully chosen weapons are innovative, visually shocking, incredibly tricky, or have been unfairly discarded; they are guaranteed to throw even your most experienced opponent off balance.

*The Benoni and Benko in a whole new light

*Packed with original ideas and analysis

*Ideal lines to shock your opponents
