FE/EIT Mechanical: Discipline-Specific Review for the FE/EIT Exam From Great Lakes Press

Critical for Afternoon Session...

Our Discipline review is critical for your preparation for the afternoon Discipline tests. Expert professors present you with a concise treatment of everything you need to know to pass this part of the exam.

Streamlined Approach...

Our reviews explain each topic presented in the official NCEES Handbook on an equation-by-equation basis. For each major equation in the NCEES Reference Handbook, our Reviews present a brief review, a sample problem, and a worked-out solution. (The free CD includes 2 sample exams for the General Exam plus one sample exam for each of the major disciplines.)

FE/EIT Mechanical covers...

Thermodynamics, HVAC, heat transfer, fluids, machine design, controls, instrumentation

Editorial Review

Users Review

From reader reviews:

Lorena Repass:

In this 21st millennium, people become competitive in each and every way. By being competitive right now, people have to do something to make themselves survive, being in the middle of often the crowded place and notice through surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive raises then having a chance to remain than other is high. To suit your needs who want to start reading a book, we give you that FE/EIT Mechanical: Discipline-Specific Review for the FE/EIT Exam book as a starter and daily reading guide. Why, because this book is more than just a book.

Robert Hyde:

This FE/EIT Mechanical: Discipline-Specific Review for the FE/EIT Exam is a great publication for you because the content which is full of information for you who have always deal with the world and also have to make a decision every minute. That book reveals its details accurately using great management words or we can state no rambling sentences included. So if you are reading the idea hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but tough core information with attractive delivering sentences. Having FE/EIT Mechanical: Discipline-Specific Review for the FE/EIT Exam in your hand like obtaining the world in your arm, data in it is not ridiculous. We can say that no book that offer you the world with ten or fifteen small rights but this guide already does that. So, this really is a good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Janet Huynh:

Is it you who having spare time then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This FE/EIT Mechanical: Discipline-Specific Review for the FE/EIT Exam can be the response to, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

Myron Mendez:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make a summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there

but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this FE/EIT Mechanical: Discipline-Specific Review for the FE/EIT Exam can make you feel more interested to read.
