Fourth Dimensional Living in a Three Dimensional World By Dr. David Yonggi Cho

Dr. David Yonggi Cho is the pastor of the world's largest church and a best-selling author. Many of his books talk about life in the fourth dimension—a realm that is more real than the physical world in which we live. He points out that the world we know was fashioned in the invisible fourth dimension—the spiritual realm—and the things we see are only temporary; whereas, spiritual things are eternal. In light of this, he wants each of us to gain entrance to the Fourth Dimension, the place where the God of might and miracles lives and moves.

How do we move from this sphere into the Fourth Dimension? Dr. Cho provides a “road map” for us by showing us the things we need to change in order to get there and live there:

- We must change the way we think
- We must live by faith, not by sight
- We must dream God's dreams
- We must change the way we speak
- We must change the way we behave

Yes, these are the keys that open the door to the Fourth Dimension for every child of God who wants to know and experience God in all His fullness. As you read this book, you will gain glimpses into the spiritual dimension, a wonderful place of love, peace, and joy, and you will be inspired to go there and stay there. Though you are in the world, you do not have to be of the world.

“By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are invisible” (Heb. 11:3, NKJV).
