Editorial Review

Review

Mitchell Dean has written an outstandingly clear and scholarly introduction to the central theses and methods of the analysis of the mentalities and techniques of rule... He not only provides a guide to Foucault's own thought in this area, but he also draws upon other key thinkers in contemporary social theory to develop original and illuminating analysis of some principle formations of political power. Dean's book should become required reading not just for those interested in the work of Michel Foucault, but for all those who are concerned with the dilemmas of contemporary politics. (Nikolas Rose)

This second edition thoughtfully extends and develops the original text, offers an illuminating new introduction and effectively outlines directions for further study and analysis. It will be welcomed and valued by teachers and students addressing Foucault's work on governmentality and by those interested in exploring its contemporary relevance. Undoubtedly it is the key text in its field. (Barry Smart)

About the Author

Mitchell Dean is Professor of Public Governance, Copenhagen Business School, Denmark, and Professor of Sociology at the University of Newcastle, Australia. His previous books include *Governmentality: Power and Rule in Modern Society* (1999, revised second edition, SAGE, 2010), *The Constitution of Poverty: Toward a Genealogy of Liberal Governance* (Routledge, 1991/2012), *Critical and Effective Histories: Foucault's Methods and Historical Sociology* (Routledge, 1994), and *Governing Societies: Political Perspectives on Domestic and International Rule* (Open University Press, 2007).

His publications range across a large number of fields focusing on problems of government, sovereignty and power, liberalism and neoliberalism, political and social thought, historical sociology, and social and public policy. However he has also published on topics as diverse as risk management, e-government, political mythology, ancient societies, war and peace, contemporary art, cinema and fashion.

Users Review

From reader reviews:

Kirsten Muncy:

What do you think of book? It is just for students as they are still students or that for all people in the world, what the best subject for that? Only you can be answered for that question above. Every person has distinct personality and hobby for every single other. Don't to be obligated someone or something that they don't desire do that. You must know how great in addition to important the book *Governmentality: Power and Rule in Modern Society*. All type of book are you able to see on many sources. You can look for the internet sources or other social media.

Alice Bowers:

You are able to spend your free time to see this book this book. This *Governmentality: Power and Rule in*

Modern Society is simple to develop you can read it in the park your car, in the beach, train along with soon. If you did not possess much space to bring the printed book, you can buy the particular e-book. It is make you simpler to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Leslie Babcock:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book had been rare? Why so many problem for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes looking at, not only science book and also novel and Governmentality: Power and Rule in Modern Society or even others sources were given know-how for you. After you know how the great a book, you feel wish to read more and more. Science reserve was created for teacher as well as students especially. Those guides are helping them to increase their knowledge. In other case, beside science e-book, any other book likes Governmentality: Power and Rule in Modern Society to make your spare time more colorful. Many types of book like here.

John Hayes:

What is your hobby? Have you heard that question when you got learners? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you know that little person like reading or as examining become their hobby. You must know that reading is very important along with book as to be the issue. Book is important thing to add you knowledge, except your teacher or lecturer. You find good news or update in relation to something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is Governmentality: Power and Rule in Modern Society.
