Human Services in Contemporary America By William R. Burger, Merrill Youkeles

This book's multidisciplinary approach to the field of human services gives students an overview of the helping field, its available programs, and the practical skills workers can employ. It focuses on presenting the history and practice of human services through the lens of a social problems and policy perspective. Throughout the text, the authors integrate the theme of understanding how social, economic and political issues affect the human service worker and the people served in human services. Each chapter also includes real-life examples that highlight the material on social policy.

Editorial Review

Review

"The authors have done an excellent job reviewing the history of work in human services and identifying the challenges associated with the development of programs in modern times. The text successfully orients students to the major helping professions and encourages them to thoughtfully differentiate and evaluate social support interventions."

"The text is a good introduction to the field of human service, linking practice, policy, and prevention strategies. It is well written and thoughtfully presented."

About the Author

William Burger is a professor at Kingsborough Community College and serves as the department chair for the human services program. He is a well-known figure within the human services field and has published several articles.

Merrill Youkeles, professor emeritus at Kingsborough Community College of the City University of New York, received his doctoral degree in studies on aging at Columbia University with the aid of a grant from the Administration on Aging. Dr. Youkeles is a certified social worker who received his M.S.W. from the University of Pennsylvania and is the former director of the Mental Health and Human Services Program at Kingsborough College. He has more than 40 years of experience as a practitioner, consultant and professor.

Users Review

From reader reviews:

Ebony Thornton:
