International Organizations: International Edition By Kelly-Kate S. Pease

Drawing on mainstream and critical theoretical approaches, *International Organizations* offers a comprehensive examination of international organizations' political and structural role in world politics. This text details the types and activities of international organizations and provides students with the conceptual tools needed to evaluate their effectiveness. Surveying key issue areas from international and human security to trade and the environment, *International Organizations* looks at present and future possibilities for global governance from a broad range of perspectives.

New to the Fifth Edition

- The **nexus between international law and international organizations** is explored to show how they complement and influence each other. Each issue chapter highlights the relevant treaties, norms, and customs, and interprets the impact of international law on the politics of the issue.
- Not only does this book cover international and human security concerns but it now looks at the growing danger posed by the **proliferation of weapons of mass destruction**, with special emphasis on the spread of nuclear weapon technology.
- A new in-depth case study on **Iran** explores Iran's quest for nuclear technology against the backdrop of its legal duties and obligations under **Nuclear NonProliferation Treaty (NPT)**. The case also examines the role of the **International Atomic Energy Agency (IAEA)** in managing the use of nuclear technology and energy.
- An updated analysis of **global climate change** is provided to explain the political outcomes of the **2009 Copenhagen Conference**.
- An exploration of **international criminal law** with special reference to the International Criminal Tribunal for the Former Yugoslavia (ICTY) and the International Criminal Court (ICC).
- Every chapter includes the **most recent political events, scholarship, and data**, especially as it relates to the impact of the global financial crisis on trade and development.

Editorial Review

Review

Praise for the Fifth Edition

Kelly-Kate Pease has written the most theoretically sophisticated text on international organizations and global governance, introducing and consistently applying a series of theoretical approaches to a broad range of real-world cases. Clear and accessible to a beginning student, this text will also benefit advanced students looking for both theoretical insight and empirical facts.

Mark Pollack, *Temple University*

About the Author

Kelly-Kate S. Pease is Associate Professor of Politics, History, and International Relations at Webster University.

Users Review

From reader reviews:

Rebecca Morales:

Book is to be different for each grade. Book for children until eventually adult are different content. As it is known to us that book is very important normally. The book International Organizations: International Edition seemed to be making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The publication International Organizations: International Edition is not only giving you a lot more new information but also to be your friend when you truly feel bored. You can spend your personal spend time to read your publication. Try to make relationship using the book International Organizations: International Edition. You never truly feel lose out for everything if you read some books.

James Oliver:

As people who live in typically the modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era and that is always change and advance. Some of you maybe will probably update themselves by looking at books. It is a good choice for you but the problems coming to you actually is you don't know what kind you should start with. This International Organizations: International Edition is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Joseph Cosgrove:

This International Organizations: International Edition is great e-book for you because the content that is full of information for you who else always deal with world and get to make decision every minute. This particular book reveal it information accurately using great manage word or we can state no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having International Organizations: International Edition in your hand like getting the world in your arm, details in it is not ridiculous 1. We can say that no book that offer you world throughout ten or fifteen second right but this guide already do that. So , this can be good reading book. Hey there Mr. and Mrs. occupied do you still doubt that will?

Adam Mathews:

Don't be worry should you be afraid that this book may filled the space in your house, you can have it in e-book approach, more simple and reachable. This International Organizations: International Edition can give you a lot of good friends because by you considering this one book you have point that they don't and make a person more like an interesting person. This book can be one of a step for you to get success. This reserve offer you information that probably your friend doesn't know, by knowing more than some other make you to be great persons. So , why hesitate? Let me have International Organizations: International Edition.
