JavaScript The Complete Reference 3rd Edition By Thomas A. Powell, Fritz Schneider

The essential JavaScript resource—fully updated

Design, debug, and publish high-performance web pages and applications using tested techniques and best practices from expert developers. The all-new edition of this comprehensive guide has been thoroughly revised and expanded to cover the latest JavaScript features, tools, and programming methods.

JavaScript: The Complete Reference, Third Edition provides illustrative examples, line-by-line code samples, and practical development advice—from the core of the language to the various standard and emerging APIs supported by modern web browsers. This in-depth resource covers everything you need to know, whether you're trying to understand the fundamentals of weak typing in JavaScript, reduce your confusion over closures, or perform common tasks like form validation or Ajax calls.

- Explore core JavaScript syntax and data types
- Investigate often confusing concepts such as weak typing and closures
- Use object-oriented programming the JavaScript way
- See what changes come from ECMAScript 5
- Perform dynamic content updates using DOM methods
- Handle user-generated events with modern event models
- Modernize form handling with HTML5 and JavaScript
- Use the XMLHttpRequest object to create Ajax applications
- Control animation and multimedia content with JavaScript
- Generate bitmap graphics with the Canvas API
- Learn methods to handle the challenges of cross-browser coding
- Discover defensive development and error handling

Editorial Review

About the Author

Thomas Powell, lecturer for the University of California, San Diego, is the author of *HTML & CSS: The Complete Reference* and *Ajax: The Complete Reference*. He is president and founder of PINT, a Web site design and development firm.

Fritz Schneider is a software engineer at Google where he works on both front- and back-end systems. His previous experience includes social search service Aardvark and an earlier stint at Google where he founded Google's Firefox and Safe Browsing teams. Fritz is an experienced teacher of Web technologies and coauthor of *How to Do Everything with Google*.

Users Review

From reader reviews:

Joseph Blackwell:

The book JavaScript The Complete Reference 3rd Edition gives you the sense of being enjoy for your spare time. You may use to make your capable more increase. Book can for being your best friend when you getting pressure or having big problem with your subject. If you can make reading through a book JavaScript The Complete Reference 3rd Edition to get your habit, you can get more advantages, like add your capable, increase your knowledge about several or all subjects. It is possible to know everything if you like open and read a e-book JavaScript The Complete Reference 3rd Edition. Kinds of book are several. It means that, science guide or encyclopedia or other people. So , how do you think about this e-book?

Randall Briggs:

What do you in relation to book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everyone has many questions above. They have to answer that question due to the fact just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of JavaScript The Complete Reference 3rd Edition to read.

Amy Osburn:

Here thing why this kind of JavaScript The Complete Reference 3rd Edition are different and reliable to be yours. First of all looking at a book is good but it depends in the content of the usb ports which is the content is as delicious as food or not. JavaScript The Complete Reference 3rd Edition giving you information deeper and different ways, you can find any e-book out there but there is no publication that similar with JavaScript

The Complete Reference 3rd Edition. It gives you thrill reading through journey, its open up your own eyes about the thing in which happened in the world which is maybe can be happened around you. You can actually bring everywhere like in playground, café, or even in your approach home by train. Should you be having difficulties in bringing the paper book maybe the form of JavaScript The Complete Reference 3rd Edition in e-book can be your alternate.

Amanda Stone:

Are you kind of occupied person, only have 10 or maybe 15 minute in your time to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are having problem with the book compared to can satisfy your short space of time to read it because all this time you only find publication that need more time to be study. JavaScript The Complete Reference 3rd Edition can be your answer as it can be read by a person who have those short time problems.
