More about Paddington By Michael Bond

Paddington Bear becomes a celebrity when he takes portraits of the Brown family with a very old camera. Thanks to the unique results, a local shop puts the photos on display. And that's just the first adventure this extraordinary bear finds himself in. From wallpapering to mystery-solving, Paddington does it all with the sense of wonder and playful charm that readers have come to love.

First published in 1959, *More about Paddington* is the second novel by Michael Bond chronicling the adventures of this classic character. Paddington has warmed the hearts of generations of readers with his earnest good intentions and humorous misadventures. This brand-new paper-over-board edition of the classic novel contains the original text by Michael Bond and illustrations by Peggy Fortnum.

Editorial Review

From the Back Cover

The stories of Paddington Bear have delighted children all around the world for over 50 years.

"Bears like Paddington are very rare," said Mrs. Bird, "and a good thing, too, or it would cost us a small fortune in marmalade."

It's a good thing for lots of reasons that bears like Paddington are rare. Whether it is his attempts at home decorating, detective work, or photography, this bear causes his own special brand of chaos.

About the Author

Michael Bond began chronicling Paddington's adventures in his first book, *A Bear Called Paddington*, published in 1958. Fortunately, bears don't need much encouragement, and Paddington has since filled the pages of twelve further novels, a variety of picture books, and many other projects written for the young at heart.

From [AudioFile](#)

Stephen Fry is utterly delightful as Paddington the bear, who, most of the time, can't really see what all the fuss is about as he moves blithely from one grand misadventure to the next--helping to redecorate the house (with disastrous results), for example, or attempting to take a family portrait, or experiencing his first snow. Fry is as skilled with Paddington's frequently bewildered and bemused family, and the result is a gentle, clever, very, very funny audiobook that rewards careful listening with a thoroughly entertaining story. This is the perfect companion to the equally endearing A BEAR CALLED PADDINGTON, and fans are assured more duffle coats, more avoiding of baths, and more marmalade.
