An Ant's Day Off Book and Audiocassette Tape Set (Paperback Book and Audio Cassette Tape) By Bonny Becker

Bart the sand ant has spent his whole life moving mounds of sand from one tunnel to another in an underground nest. He and the other ants have never seen the sky or felt the rain. One day, Bart feels the outside world beckoning him, and he flees the nest without being noticed. He quickly finds out that the world is full of wonder and joy, and of danger, as he narrowly escapes becoming lunch for a frog and almost drowns in a rain puddle. Bart begins to regret his escapade and heads home. The entrance guard questions him but then reassures him that "sometimes an ant just needs to look at the sky" and looks the other way as Bart gets back to work. After listening all summer to his tales of the sun, rain, and bees, fellow sand ant Floyd decides to go exploring and Bart joins him. The richly colored illustrations of the outside world contrast sharply with the browns and tans of the nest. Deep green grass and bright yellow flowers are seen from an ant's perspective. The insects are dressed as people, complete with hard hats and safety glasses. The message -- that it's good to take time for oneself -- is not subtle or indirect. Bonny Becker has written the perfect story for our hectic, over-scheduled lives. Nina Laden's illustrations bring the bustling insect world to life with humor and verve.

Editorial Review

Users Review

From reader reviews:

Tonia Jensen:

Do you have something that you enjoy such as book? The guide lovers usually prefer to opt for book like comic, limited story and the biggest an example may be novel. Now, why not trying An Ant's Day Off Book and Audiocassette Tape Set (Paperback Book and Audio Cassette Tape) that give your entertainment preference will be satisfied by simply reading this book. Reading behavior all over the world can be said as the opportunity for people to know world far better then how they react to the world. It can't be explained constantly that reading routine only for the geeky individual but for all of you who wants to end up being success person. So , for every you who want to start looking at as your good habit, you can pick An Ant's Day Off Book and Audiocassette Tape Set (Paperback Book and Audio Cassette Tape) become your own personal starter.

Theresa Gayle:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you never know the inside because don't evaluate book by its protect may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer is usually An Ant's Day Off Book and Audiocassette Tape Set (Paperback Book and Audio Cassette Tape) why because the amazing cover that make you consider with regards to the content will not disappoint a person. The inside or content is fantastic as the outside or maybe cover. Your reading 6th sense will directly show you to pick up this book.

Steven Anderson:

This An Ant's Day Off Book and Audiocassette Tape Set (Paperback Book and Audio Cassette Tape) is great book for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This kind of book reveal it details accurately using great arrange word or we can declare no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but hard core information with lovely delivering sentences. Having An Ant's Day Off Book and Audiocassette Tape Set (Paperback Book and Audio Cassette Tape) in your hand like obtaining the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world within ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hello Mr. and Mrs. hectic do you still doubt which?

Francis Griffin:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information from your book. Book is composed or printed or outlined from each source which filled update of news. On this modern era like right now, many ways to get information are available for an individual. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just searching for the An Ant's Day Off Book and Audiocassette Tape Set (Paperback Book and Audio Cassette Tape) when you needed it?
