Claimed By Shadow (Cassie Palmer Book 2) By Karen Chance

Clairvoyant Cassie Plamer has inherited new magical powers-including the ability to travel through time. But it's a whole lot of responsibility she'd rather not have. Now she's the most popular girl in town, as an assortment of vamps, fey, and mages try to convince, force, or seduce her-and her magic-over to their side. But one particular master vampire didn't ask what Cassie wanted before putting a claim on her. He had a spell cast that binds her to him, and now she doesn't know if what she feels for him is real-or imagined...

Editorial Review

Review

A fair maiden tough enough to kick [vampire] butts. -- *Rebecca York, USA Today* bestselling author *Shadow of the Moon*

An engaging heroine. -- *Kelley Armstrong, USA Today* bestselling author of *Broken*

Like the previous novel, CLAIMED BY SHADOW is a non-stop thrill ride from beginning to end, a wildly entertaining romp with a strong, likeable heroine. The story is fast-paced and barely lets up from the word "go," lightened with plenty of wry humor and more than a dash of romance. In Cassie's last adventure, TOUCH THE DARK, the focus was on vampires. Here, we see more about the mages, especially Cassie's nemesis Pritkin. It's obvious that Chance has even more wonders to reveal, and I am very much looking forward to the next installment of Cassie's adventures. -- *Rambles.com*

Magic aplenty populates this fast moving, rather dark tale of power, corruption, double-dealings and painful attractions as Cassie comes to grips with her new role in this follow-up to TOUCH THE DARK. It is nice to see a strong, capable heroine taking charge with a kick butt attitude while attempting to balance right and wrong in the face of impossible odds. -- *monstersandcritics.com*

Ms. Chance is a master at fleshing out her secondary characters and keeping her storyline moving at a lightening fast pace. Cassie remains the funny and smart heroine we came to love in book one. She solves her own problems and trusts her intuition. This is a series well worth getting hooked on. -- *FreshFiction.com*

The much anticipated sequel to TOUCH THE DARK, CLAIMED BY SHADOW picks up right where Cassie left off in the first book, infused with a power she doesn't want. From tacky Vegas showgirl costumes to moveable tattoo parlors to a zombie Elvis, Karen Chance takes readers on another wild ride with never-ending action. CLAIMED BY SHADOW should not be missed. -- *Romance Reviews Today*

The second installment of Karen Chance's paranormal fantasy saga to feature psychic Cassandra Palmer (after 2006's Touch the Dark) explores new territory, as the 23-year-old heroine is forced to deal with the unfathomable power -- and danger -- associated with being the heir to the Pythia, the world's most influential clairvoyant. Palmer's newfound position makes her a prime target for supernatural factions (vampires, the Fey, mages, etc.) looking to monopolize -- or simply destroy -- her powers. To complicate matters, Palmer learns that someone, most likely a 500-year-old master vampire who happens to be Dracula's older brother, has put a "geis" on her, a magical bond that not only deters any potential suitors but also makes Palmer irrationally attracted to her supernatural subjugator. But when she vows to remove the geis, she finds herself an unwilling pawn in the middle of a dangerous power play...

Blending contemporary fantasy, romance, and horror into an appetizing literary amalgam, the crossover appeal of Chance's Cassie Palmer saga will undoubtedly find a more than welcoming audience with fans of authors like Laurell K. Hamilton, Kim Harrison, and Charlaine Harris. Chance's left-of-center sense of humor -- in particular, bastardized Latin one-liners like "stercus accidit" -- makes this relatively lighthearted series a fast-paced and highly entertaining read. -- Paul Goat Allen -- *Explorations SF/F Reviews*

From the Back Cover

Clairvoyant Cassie Palmer has inherited new magical powers-including the ability to travel through time. But

it's a whole lot of responsibility she'd rather not have. Now she's the most popular girl in town, as an assortment of vamps, fey, and mages try to convince, force, or seduce her-and her magic-over to their side. But one particular master vampire didn't ask what Cassie wanted before putting a claim on her. He had a spell cast that binds her to him, and now she doesn't know if what she feels for him is real-or imagined...

About the Author

Karen Chance grew up in Orlando, Florida, and has also lived in France, Great Britain, Hong Kong, and New Orleans. She is the bestselling author of the Cassie Palmer series and the Dorina Basarab series, and her stories have appeared in the anthologies *On the Prowl* and *The Mammoth Book of Vampire Romance*.

She has lent her voice to television programs, radio and television commercials, video games, and audiobooks. Cynthia's most recognizable work is as the voice of Anita Blake in Laurell K. Hamilton's bestselling *Vampire Hunter* series.

Users Review

From reader reviews:

Robert Stewart:

What do you with regards to book? It is not important along? Or just adding material when you really need something to explain what yours problem? How about your extra time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. The doctor has to answer that question simply because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need this particular *Claimed By Shadow* (Cassie Palmer Book 2) to read.

Teresa Brown:

Here thing why this specific *Claimed By Shadow* (Cassie Palmer Book 2) are different and reputable to be yours. First of all reading through a book is good however it depends in the content of the usb ports which is the content is as delicious as food or not. *Claimed By Shadow* (Cassie Palmer Book 2) giving you information deeper since different ways, you can find any book out there but there is no book that similar with *Claimed By Shadow* (Cassie Palmer Book 2). It gives you thrill examining journey, its open up your current eyes about the thing that happened in the world which is maybe can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your means home by train. In case you are having difficulties in bringing the paper book maybe the form of *Claimed By Shadow* (Cassie Palmer Book 2) in e-book can be your alternate.

Joseph Southard:

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that will give you benefit in your life. Along with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Many author can inspire their own reader with their story or their experience. Not only situation that share in the books. But also they write about the information about

something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their proficiency in writing, they also doing some exploration before they write for their book. One of them is this Claimed By Shadow (Cassie Palmer Book 2).

Lauren Miner:

Precisely why? Because this Claimed By Shadow (Cassie Palmer Book 2) is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book beside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the publication store hurriedly.
