Editorial Review

About the Author

During her nine years as an editor for Disney Publishing, **Jessica Ward** edited coffee table books on classic Disney animation and modern live-action. She also worked on several books for the Disney Parks including the Birnbaum official travel guides, and several cookbooks including the *Delicious Disney* series. Her writing credits for Disney include *Duffy, the Disney Bear*, two Minnie and Daisy B.F.F. chapter books, and *G-Force: The Dossier*. As a freelancer, Jessie has written *The Ultimate Disney Party Book* for Edda and the companion book for the *Frozen Paint-by-Number Kit* for Sterling. Jessica lives in Connecticut.

When she was a child **Jana Whitley** learned how to crochet from her mother, but it wasn't until her thirties that she discovered amigurumi. She started crocheting fantasy and fairy tale characters for family and friends in 2007, and she hasn't put away her hook since. With a background in technical writing and graphic design, Jana found that creating patterns was as much fun as crocheting, and started writing and selling crochet patterns online and in her Etsy store, JanaGeek. Jana lives in Utah with her husband, Mark, and their children, Lisa, Jessica, and Sara.

Users Review

From reader reviews:

Roger Ruelas:

The book Disney Princess Crochet give you a sense of feeling enjoy for your spare time. You can utilize to make your capable considerably more increase. Book can being your best friend when you getting pressure or having big problem with the subject. If you can make examining a book Disney Princess Crochet to be your habit, you can get far more advantages, like add your personal capable, increase your knowledge about some or all subjects. You can know everything if you like wide open and read a book Disney Princess Crochet. Kinds of book are a lot of. It means that, science guide or encyclopedia or others. So , how do you think about this reserve?

Wayne Hause:

The book Disney Princess Crochet can give more knowledge and information about everything you want. Why must we leave the good thing like a book Disney Princess Crochet? Wide variety you have a different opinion about publication. But one aim that book can give many data for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or details that you take for that, you can give for each other; you could share all of these. Book Disney Princess Crochet has simple shape nevertheless, you know: it has great and massive function for you. You can seem the enormous world by available and read a guide. So it is very wonderful.
