Editorial Review

Review

“Stuck on a holiday gift for your favorite atheist? This book will fill him with Christmas-like cheer.... If there’s one overarching takeaway...it’s that atheists have a sense of humor.” (Penthouse)

“[E]ntertaining and enlightening... The Atheist’s Guide to Christmas is not only for atheists...nor is it an anti-religious rant or deep philosophical treatise. In essence... a good gift for anyone with a sense of humor.” (Technorati.com)

From the Back Cover

What *do* you get an atheist for Christmas?

If you're an atheist, you don't believe in the three wise men, so this Christmas, we bring you not three, but forty-two wise men and women, bearing gifts of comedy, science, philosophy, the arts, and knowledge. What does it feel like to be born on Christmas day? How can you most effectively use lights to make your house visible from space? And where can you listen to the echoes of the Big Bang on December 25? *The Atheist's Guide to Christmas* answers all these questions and more:

- Richard Dawkins tells an original Christmas story.
- Phil Plait fact-checks the Star of Bethlehem.
- Neal Pollack teaches his family a lesson on holiday spirit.
- Simon Singh offers a very special scientific experiment.
- Simon le Bon loses his faith (but keeps church music).
- AC Grayling explains how to have a truly happy Christmas.

Plus thirty-six other brilliant, funny, free-thinking pieces perfect for anyone who doesn't think of holidays as holy days.

All author advances and royalties for *The Atheist's Guide to Christmas* will go to Terrence Higgins Trust.

About the Author

Robin Harvie is an atheist, publisher and author of *Why We Run: The Story of an Obsession*. He lives in London.

Stephanie Meyers is a book editor and an avid believer in receiving presents, decorating trees, and making the most of post-holiday sales. She lives in New York City.

Users Review

From reader reviews:

Edward Peterson:

Inside other case, little folks like to read book The Atheist's Guide to Christmas. You can choose the best book if you want reading a book. Provided that we know about how is important any book The Atheist's Guide to Christmas. You can add knowledge and of course you can around the world by way of a book. Absolutely right, since from book you can know everything! From your country until foreign or abroad you may be known. About simple point until wonderful thing you could know that. In this era, we could open a book or even searching by internet unit. It is called e-book. You may use it when you feel bored to go to the library. Let's study.

Jesus Gates:

Information is provisions for folks to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider any time those information which is in the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take The Atheist's Guide to Christmas as your daily resource information.

Virginia Laird:

The publication untitled The Atheist's Guide to Christmas is the e-book that recommended to you to study. You can see the quality of the reserve content that will be shown to a person. The language that article author use to explained their ideas are easily to understand. The writer was did a lot of research when write the book, to ensure the information that they share for you is absolutely accurate. You also can get the e-book of The Atheist's Guide to Christmas from the publisher to make you far more enjoy free time.

Mary Curtis:

Your reading 6th sense will not betray anyone, why because this The Atheist's Guide to Christmas guide written by well-known writer whose to say well how to make book that could be understand by anyone who all read the book. Written with good manner for you, still dripping wet every ideas and producing skill only for eliminate your personal hunger then you still hesitation The Atheist's Guide to Christmas as good book not merely by the cover but also by the content. This is one reserve that can break don't determine book by its handle, so do you still needing yet another sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.
