The Wicca Handbook By Eileen Holland

The Wicca Handbook is both a tutorial for new witches and an exceptionally well-organized reference book for experienced practitioners. It guides us through the first steps in becoming a witch and explores many Wiccan traditions, initiations, and magical practices. The Wiccan year--the eight Sabbats--along with many of its rituals and ceremonies are examined. Holland also provides the background of every facet of witchcraft, such as spells for every occasion, psychic protection, numerology, basic astrology, and the lore of stones, metals, candles, animals, and much more. High Priestess Eileen Holland's helpful guide is rooted in practicality and intended as a working handbook, not a simple beginner's guide. The information is rich; clear directions are given, and its range of content is extensive. Spells, circles, crystals, and color magic, herbs, health, and healing are all covered with abundant direction on how to do it, when to do it, and suggestions for seeking guidance from the deities. Those who have been on their path for a few years will find this a great reference book to refer to time and again.

Editorial Review

Review

"This book by Holland is a topnotch reading and learning journey. The Wicca Handbook is one of the best in its field." -- From GhostVillage.com

From the Back Cover

Witch. What a powerful word it is. It attracts, it repels, it frightens, it fascinates. It offers hope to those who do not know where to turn. Modern witches -- following the traditions of our earliest ancestors -- are the shamans and healers of the 21st century. They practice the ancient art of sacred magic in the modern world.

The Wicca Handbook is both a tutorial for new witches and an exceptionally well-organized reference book for experienced practitioners. It guides us through the first steps in becoming a witch, explores many Wiccan traditions, initiations, and magical practices. The Wiccan year -- the eight Sabbats -- along with many of its rituals and ceremonies are examined. You will learn about spell casting, sex magic, and the techniques used to raise power.

One of the most outstanding features of this book is Eileen Holland's extensive correspondence tables which cover virtually every facet of witchcraft: creativity, fertility, healing, love, magic, finances, psychic protection, astral projection, wisdom, heavenly bodies, animals, colors, metals, rocks and gemstones, the alphabet, and numbers. With so much information, this is bound to become a dog-eared favorite in any witch's library.
