Beowulf: A Verse Translation (Norton Critical Editions) From W. W. Norton & Company

Winner of the Whitbread Prize, Seamus Heaney's translation "accomplishes what before now had seemed impossible: a faithful rendering that is simultaneously an original and gripping poem in its own right" (*New York Times Book Review*).

The translation that "rides boldly through the reefs of scholarship" (*The Observer*) is combined with first-rate annotation. No reading knowledge of Old English is assumed. Heaney's clear and insightful introduction to *Beowulf* provides students with an understanding of both the poem's history in the canon and Heaney's own translation process.
