Amazon.com Review

Love him or hate him, no matter how you feel about Bill Gates, you've got to respect him. As the richest man in the world and leader of the most successful company of our day, Gates has achieved a level of success that even the Almighty might be jealous of. In *Bill Gates Speaks*, Janet Lowe captures much of the Gates legend by weaving together stories and quotes attributed to Gates in speeches, newspapers, and interviews in a short and easy-to-read volume. The book covers everything from Gates's time at Harvard to the construction of his "home" on the shores of Lake Washington near Seattle. The result is a well-rounded look at the man who has helped to shape our present more than any other individual alive today. --*Harry C. Edwards*
