Doctor Who: The Coming of the Terraphiles By Michael Moorcock

Miggea - a star on the very edge of reality. The cusp between this universe and the next. A point where space-time has worn thin, and is in danger of collapsing... and the venue for the grand finals of the competition to win the fabled Arrow of Law! The Doctor and Amy have joined the Terraphiles - a group obsessed with all aspects of Earth's history, and dedicated to re-enacting ancient sporting events. They are determined to win the Arrow. But, just getting to Miggea proves tricky. Reality is collapsing, ships are disappearing, and Captain Cornelius and his pirates are looking for easy pickings. Even when they arrive, the Doctor and Amy's troubles won't be over. They have to find out who is so desperate to get the Arrow of Law that they will kill for it! And, uncover the traitor on their own team. And, win the contest fair and square. And, of course, they need to save the universe from total destruction. A thrilling, all-new adventure featuring the Doctor and Amy, as played by Matt Smith and Karen Gillan in the spectacular hit series from BBC Television written by the acclaimed science fiction and fantasy author Michael Moorcock.

Editorial Review

Review

A marriage made in heaven, or perhaps Gallifrey. As a teenager Michael Moorcock was my favourite author, and Doctor Who my favourite TV programme. Why no one has ever put the two of them together before I don't know, Delicious. The modern genre's most original voice has invited the Doctor into his multiverse for an adventure sparkling with wit and peril... Authentic Moorcock. Authentic Who. An essential read, A combination of Moorcockian multiverse and Wodehousian Comedy filigreed into something magical and unexpected. It's *Doctor Who* written by the most important living British fantasist, and it's as good as I'd hoped, and much funnier, Delightfully good-humored... an authentically Moorcockian take on both Doctor Who and that most whimsical of themes - the coming of ultimate chaos and the annihilation of the universe itself!, We are astoundingly lucky to have Michael Moorcock. In his range, his skill, invention and his passion he exemplifies the very best of more than one literary tradition, Here we have one of science fiction and fantasy's most respected and well-loved authors writing Doctor Who. What could possibly go wrong? The answer is absolutely nothing. This is a phenomenal book - **10/10**, Exhilarating, funny and deeply peculiar... It's been years since the Doctor Who range put out anything as smart and engaging as this. Fingers crossed it's the first of many such volumes, A bold, eccentric quasi space opera, The great Michael Moorcock has written a Doctor Who book which is like Burt Bacharach knocking out an album for Lady Gaga

About the Author

A prolific writer of more than eighty works of fiction and non-fiction, including the Guardian Fiction Prize-winning *The Condition of Muzak*, and *Mother London*, which was shortlisted for the Whitbread Prize, Michael Moorcock is the creator of such memorable characters as Elric, Jerry Cornelius and Colonel Pyat. Born in London in 1939, he now lives in Texas.
