Fundamentals of Occupational Safety and Health (Fundamentals of Occupational Safety & Health) By Mark A. Friend, James P. Kohn

The fifth edition of this popular handbook provides a thorough and up-to-date overview of the occupational safety and health field and the issues safety professionals face today, and does so in an accessible and engaging manner.

An excellent introductory reference for both students and professionals, *Fundamentals of Occupational Safety and Health* provides practical information regarding technology, management, and regulatory compliance issues, covering crucial topics like organizing, staffing, directing, and evaluating occupational safety programs and procedures.

Author Mark Friend addresses all major occupational safety and health topics in this comprehensive volume, including safety-related laws and regulations, hazardous materials, workplace violence, the threat of terrorism, and OSHA's recordkeeping standard. This new edition has been updated to keep up with new regulations and statistics, and it includes a brand new chapter on transportation safety. Two chapters have also been completely rewritten to reflect current practice—those on Industrial Hygiene and Terrorism Preparedness.

The volume includes a handy directory of resources such as safety and health associations, First Responder organizations, and state and federal agencies. This directory, together with the text, gives readers a wealth of occupational safety and health information right at their fingertips.

Users Review

From reader reviews:

Detra Satterwhite:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each e-book has different aim or maybe goal; it means that guide has different type. Some people truly feel enjoy to spend their time to read a book. They can be reading whatever they consider because their hobby will be reading a book. Why not the person who don't like reading through a book? Sometime, man feel need book once they found difficult problem or perhaps exercise. Well, probably you will need this Fundamentals of Occupational Safety and Health (Fundamentals of Occupational Safety & Health).

Michael Davis:

Book is written, printed, or created for everything. You can know everything you want by a book. Book has a different type. To be sure that book is important point to bring us around the world. Beside that you can your reading expertise was fluently. A reserve Fundamentals of Occupational Safety and Health (Fundamentals of Occupational Safety & Health) will make you to be smarter. You can feel more confidence if you can know about every thing. But some of you think in which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you trying to find best book or suitable book with you?

Michael Albin:

That publication can make you to feel relax. That book Fundamentals of Occupational Safety and Health (Fundamentals of Occupational Safety & Health) was colourful and of course has pictures on there. As we know that book Fundamentals of Occupational Safety and Health (Fundamentals of Occupational Safety & Health) has many kinds or category. Start from kids until teenagers. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore , not at all of book are generally make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for

you personally and try to like reading in which.

Alva Sexton:

What is your hobby? Have you heard that will question when you got pupils? We believe that that issue was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And also you know that little person including reading or as examining become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You see good news or update concerning something by book. Different categories of books that can you take to be your object. One of them is niagra Fundamentals of Occupational Safety and Health (Fundamentals of Occupational Safety & Health).
