Getting the Best of It By David Sklansky

Contains six sections discussing probability, poker, blackjack, other casino games, sports betting, and general gambling concepts. This book contains some of the most sophisticated gambling ideas that have ever been put into print. Included is perhaps the best discussion of the basic mathematics of gambling, yet it is written so that even the most non-mathematical of readers can understand it. Many of the ideas discussed are those that the author himself has successfully used during his career. Topics include expectation, combinations, Baye's Theorem, the eight mistakes in poker, checking in the dark, playing tight, The Key Card Concept, casinos and their mistakes, crapless craps, betting sports, hedging and middling, knowing what's important, the Law of Averages and Other Fallacies, and much more.

Editorial Review

About the Author

David Sklansky is generally considered the number one authority on gambling in the world today. Besides his ten books on the subject, David also has produced two videos and numerous writings for various gaming publications. His occasional poker seminars always receive an enthusiastic reception, including those given at the Taj Mahal in Atlantic City and the World Series of Poker in Las Vegas.

More recently, David has been doing consulting work for casinos, Internet gaming sites, and gaming device companies. He has recently invented several games, soon to appear in casinos.

David attributes his standing in the gambling community to three things:

1. The fact that he presents his ideas as simply as possible (sometimes with Mason Malmuth) even though these ideas frequently involve concepts that are deep, subtle, and not to be found elsewhere.
2. The fact that the things he says and writes can be counted on to be accurate.
3. The fact that to this day a large portion of his income is still derived from gambling (usually poker, but occasionally blackjack, sports betting, horses, video games, casino promotions, or casino tournaments).

Thus, those who depend on David's advice know that he still depends on it himself.

Users Review

From reader reviews:

John White:

Book is to be different for each grade. Book for children until finally adult are different content. As we know that book is very important for us. The book Getting the Best of It was making you to know about other expertise and of course you can take more information. It is rather advantages for you. The reserve Getting the Best of It is not only giving you far more new information but also for being your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship with the book Getting the Best of It. You never really feel lose out for everything if you read some books.

Ralph Overman:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these individuals keep up with the era and that is always change and advance. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to you actually is you don't know what kind you should start with. This Getting the Best of It is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Charles Shrader:

People live in this new moment of lifestyle always attempt to and must have the time or they will get lot of stress from both day to day life and work. So , when we ask do people have time, we will say absolutely of course. People is human not only a robot. Then we consult again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then ever try this one, reading publications. It can be your alternative inside spending your spare time, typically the book you have read is Getting the Best of It.

Erica Northern:

This Getting the Best of It is brand new way for you who has interest to look for some information because it relief your hunger details. Getting deeper you in it getting knowledge more you know or else you who still having little bit of digest in reading this Getting the Best of It can be the light food for you because the information inside that book is easy to get by anyone. These books produce itself in the form which is reachable by anyone, yes I mean in the e-book contact form. People who think that in book form make them feel tired even dizzy this book is the answer. So there isn't any in reading a guide especially this one. You can find actually looking for. It should be here for anyone. So , don't miss that! Just read this e-book sort for your better life and also knowledge.
