Sport Tourism Destinations By James Higham

Few forces in contemporary society influence the fortunes of tourism destinations more immediately than sport. From football fans to kayaking, *Sports Tourism Destinations: issues, opportunities and analysis* examines the planning, development and management of sport tourism destinations. With contributions from international experts, this book looks at the dramatic effects sports tourism has on the economy and future of tourism destinations.

Divided into four parts, the book systematically covers:

- Sports tourism destination analysis: applies principles of destination resource analysis to the study of sport tourism destinations
- Destination planning and development: illustrates the mutually beneficial links between sport, tourism and destination planning.
- Destination marketing and management: explores theoretical and applied aspects of sport tourism destination marketing and management
- Sport tourism impacts and environments: identifies and discusses critical issues of sustainable development at sport tourism destinations

Practical case studies in each chapter illustrate and highlight the links between sport tourism theory and practice, making this book a vital resource for lecturers and students alike.

Users Review

From reader reviews:

William Threatt:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each publication has different aim or perhaps goal; it means that e-book has different type. Some people experience enjoy to spend their time for you to read a book. They can be reading whatever they acquire because their hobby is actually reading a book. How about the person who don't like looking at a book? Sometime, man feel need book once they found difficult problem or even exercise. Well, probably you will need this Sport Tourism Destinations.

Bobby Tremblay:

Have you spare time for any day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity regarding spend your time. Any person spent their own spare time to take a go walking, shopping, or went to the actual Mall. How about open as well as read a book called Sport Tourism Destinations? Maybe it is to be best activity for you. You understand beside you can spend your time along with your favorite's book, you can more intelligent than before. Do you agree with it has the opinion or you have other opinion?

Peggy Gillman:

The book Sport Tourism Destinations can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the best thing like a book Sport Tourism Destinations? Several of you have a different opinion about book. But one aim which book can give many info for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or information that you take for that, you may give for each other; you can share all of these. Book Sport Tourism Destinations has simple shape however, you know: it has great and big function for you. You can appear the

enormous world by wide open and read a guide. So it is very wonderful.

Terrance Pitt:

Reading a book for being new life style in this 12 months; every people loves to read a book. When you go through a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what forms of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, this sort of us novel, comics, in addition to soon. The Sport Tourism Destinations will give you new experience in reading through a book.
