The Oxford Handbook of Corporate Governance (Oxford Handbooks) From Oxford University Press

The behavior of managers-such as the rewards they obtain for poor performance, the role of boards of directors in monitoring managers, and the regulatory framework covering the corporate governance mechanisms that are put in place to ensure managers' accountability to shareholder and other stakeholders-has been the subject of extensive media and policy scrutiny in light of the financial crisis of the early 2000s. However, corporate governance covers a much broader set of issues, which requires detailed assessment as a central issue of concern to business and society.

Critiques of traditional governance research based on agency theory have noted its "under-contextualized" nature and its inability to compare accurately and explain the diversity of corporate governance arrangements across different institutional contexts. The Oxford Handbook of Corporate Governance aims at closing these theoretical and empirical gaps. It considers corporate governance issues at multiple levels of analysis-the individual manager, firms, institutions, industries, and nations-and presents international evidence to reflect the wide variety of perspectives. In analyzing the effects of corporate governance on performance, a variety of indicators are considered, such as accounting profit, economic profit, productivity growth, market share, proxies for environmental and social performance, such as diversity and other aspects of corporate social responsibility, and of course, share price effects. In addition to providing a high level review and analysis of the existing literature, each chapter develops an agenda for further research on a specific aspect of corporate governance.

This Handbook constitutes the definitive source of academic research on corporate governance, synthesizing studies from economics, strategy, international business, organizational behavior, entrepreneurship, business ethics, accounting, finance, and law.

Editorial Review

Review

"[*The Oxford Handbook of Corporate Governance*] is an authoritative volume written by a combination of influential authors and rising stars. The scope is remarkable, with 32 chapters providing comprehensive coverage of corporate governance, from its historical origins to cutting-edge research areas... Coverage is balanced, with no one theoretical perspective dominating... The topical structure is equally suited to the governance novice and the seasoned scholar alike. A must for any scholar of corporate governance... Highly recommended." --*CHOICE*

About the Author

Mike Wright, *Professor of Entrepreneurship, Imperial College Business School and University of Ghent*, Donald Siegel, *Dean and Professor, School of Business, University at Albany, SUNY*, Kevin Keasey, *Professor of Accounting and Finance, University of Leeds*, Igor Filatotchev, *Professor of Corporate Governance and Strategy, Cass Business School, City University London and Vienna University of Economics and Business*

Mike Wright is Professor of Entrepreneurship at Imperial College Business School and Visiting Professor at Erasmus University and University of Ghent. He is Director of the Centre for Management Buy-out Research, which he founded in 1986. He was conferred with the Award of Academician of the Academy of Social Sciences in March 2011. He has published 50 authored/edited books and over 300 academic papers on corporate governance, academic entrepreneurship and technology transfer, venture capital, private equity, and related topics in leading international journals. He is currently an editor of Strategic Entrepreneurship Journal. His latest books include *Private Equity Demystified* (with John Gilligan, 3rd edition, 2012) and *Entrepreneurship: Perspectives & Cases* (with Paul Westhead, 2011). He was ranked #1 worldwide for publications in academic entrepreneurship 1981-2005 and for entrepreneurship 1995-2006.

Donald S. Siegel is Dean of the School of Business and Professor of Management at the University at Albany, SUNY. He received his bachelor's degree in economics and his master's and doctoral degrees in business economics from Columbia University. Dr. Siegel is editor of *Academy of Management Perspectives* and the *Journal of Technology Transfer*, an associate editor of the *Journal of Productivity Analysis*, and serves on the editorial boards of *Academy of Management Learning & Education*, *Journal of Management Studies*, *Journal of Business Venturing*, *Corporate Governance: An International Review*, and *Strategic Entrepreneurship Journal*. He has also co-edited 31 special issues of leading journals in economics, management, and finance, and published 6 books, including most recently *Innovation, Entrepreneurship, and Technological Change* and the *Oxford Handbook of Corporate Social Responsibility* (both Oxford University Press).

Kevin Keasey is Head of the Accounting and Finance Department and Director of the International Institute

of Banking and Financial Services, the University of Leeds. He is the author of 11 books, monographs, and edited volumes on corporate governance, financial regulation, financial services, and financial markets, and is the author of over 115 refereed articles in leading international journals and over 80 other publications (such as book chapters, reports).

Igor Filatotchev is Associate Dean and Professor of Corporate Governance and Strategy at Cass Business School, City University London, and Director of Centre for Research on Corporate Governance at Cass. He has published more than one hundred refereed academic papers, in addition to numerous books and book chapters, in the fields of corporate governance and strategy including publications in leading academic journals such as Academy of Management Journal, Academy of Management Perspectives, Strategic Management Journal, Journal of International Business Studies, Organization Science, California Management Review, and Journal of Management. He is an Associate Editor in Corporate Governance International Review and Journal of Management and Governance. His most recent book is Corporate Governance and the Business Life-cycle (Edward Elgar, 2010).

Users Review

From reader reviews:

Louise Best:

Nowadays reading books be than want or need but also become a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want really feel happy read one using theme for entertaining for example comic or novel. Often the The Oxford Handbook of Corporate Governance (Oxford Handbooks) is kind of book which is giving the reader erratic experience.

Claudia Weidner:

This The Oxford Handbook of Corporate Governance (Oxford Handbooks) is great reserve for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. This kind of book reveal it details accurately using great arrange word or we can claim no rambling sentences within it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tricky core information with splendid delivering sentences. Having The Oxford Handbook of Corporate Governance (Oxford Handbooks) in your hand like keeping the world in your arm, info in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen second right but this reserve already do that. So , this is good reading book. Heya Mr. and Mrs. occupied do you still doubt which?

Oren Nelson:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on

there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Oxford Handbook of Corporate Governance (Oxford Handbooks) can make you feel more interested to read.

Marianne Stromain:

A lot of people said that they feel bored stiff when they reading a e-book. They are directly felt the item when they get a half elements of the book. You can choose typically the book The Oxford Handbook of Corporate Governance (Oxford Handbooks) to make your current reading is interesting. Your own skill of reading proficiency is developing when you like reading. Try to choose basic book to make you enjoy to learn it and mingle the impression about book and reading especially. It is to be first opinion for you to like to wide open a book and study it. Beside that the reserve The Oxford Handbook of Corporate Governance (Oxford Handbooks) can to be your friend when you're experience alone and confuse in doing what must you're doing of that time.
