Editorial Review

From Library Journal

Since the first edition was published in 1966, this work has remained a standard text for American religious history. The 2002 revision, by Gaustad (history, emeritus, Univ. of California, Riverside) and Schmidt (religion, Princeton Univ.), retains the core material with a revised chapter structure, updated bibliographies, and some text revisions. In some cases, the revisions are simply rearrangements of chapter sections, while in others there is a shift in terminology e.g., using "African American" for "black" and replacing "American religion" with the more clearly designated "American Protestantism." While such changes are subtle, they do alter the tone of the work, bringing it more in line with current approaches to the study of religion and American culture. In the case of the last three chapters, the authors have done considerable revision and brought the history up to the turn of the century. The overall result is a well-balanced enhancement of an excellent work. Recommended for all libraries. Jan Blodgett, Davidson Coll. Lib., NC

Review

"How wonderful that Gaustad will become the indispensable 21st century tool for the students of American religion." (Peter J. Gomes, author of *The Good Life*)

"... more comprehensive, more illuminating, and more up-to-date in this new edition with Leigh E. Schmidt." (Mark A. Noll, Professor of History, Wheaton College)

"A comprehensive, graceful narrative that truly represents the pluralism, momentum, and vitality of American religious life." (Amanda Porterfield, Professor of History, University of Wyoming)

"An immensely valuable resource ... adds texture and nuance to a very complicated story, making a classic textbook even better." (Gary Laderman, Associate Professor of American Religious History and Cultures, Emory University)

"Stands among the very best of the American religious histories." (Dr. E. Brooks Holifield, Charles Howard Candler Professor, Emory University)

"A well-balanced enhancement of an excellent work...recommended." (Library Journal)

From the Publisher

A thoroughly researched, profusely illustrated, and fully updated edition of this major history of religion in America.

Users Review

From reader reviews:

Lawrence Scuderi:

What do you regarding book? It is not important to you? Or just adding material when you really need something to explain what yours problem? How about your time? Or are you busy individual? If you don't

have spare time to do others business, it is make one feel bored faster. And you have free time? What did you do? All people has many questions above.
