The Wedding: A Novel By Danielle Steel

Simon Steinberg, a major movie producer, and Blaire Scott, an award-winning television writer, are among the most respected couples in Hollywood. They have defied the clichés, keeping their marriage together for decades. Their children — Samantha, Scott, and Allegra — are successful and happy, but must face challenges we fear for our own children as well.

As an attorney for the stars, twenty-nine-year-old Allegra Steinberg is used to negotiating major movie deals, and fielding phone calls at all hours of the day and night. But she has little time for private life — until a chance encounter with a New York writer turns her life upside down. Suddenly, Allegra finds herself planning a wedding at her parents' Bel Air home.

As preparations begin for a September ceremony, surprise announcements and ever-increasing anxiety bring out the best and worst in everyone. But as couples in each generation of the Steinberg family struggle with broken vows and new hopes, the real meaning of Allegra's wedding emerges. For the bride, the ceremony is a bridge between her past and her future. For her parents, it is a reminder of the bond that holds them all together. And for both families, it is an opportunity for reconciliation, and new hope.

In a compelling portrait of real people on an unreal world, Danielle Steel uses Hollywood as a backdrop to reveal the dreams, the fears, and the expectations of a ceremony that unites us all and changes lives forever....

Editorial Review

Amazon.com Review

Allegra Steinberg has all the real-life problems of a Hollywood mover and shaker. As the daughter of two prominent producers and the entertainment lawyer for some of the most famous stars, Allegra spends her time supporting those who stand directly in the glare of fame. When Allegra's fragile personal life starts to crumble, however, she finds the courage to turn her attentions to her own life. And when she meets Jeff Hamilton, a sincere, sexy writer, she finds a reason for self-examination. The course of true love soon takes its required detours, and Jeff and Allegra must learn to compromise, grow up, and grow together.

Once again, Steel delivers the goods: a novel full of fame, fashion, and modest passion. Though the story starts off a bit unfocused, and takes minor side trips to investigate unrelated issues, fans should find it a satisfying Steel fix. *The Wedding* has no pretensions of being anything other than what it is--a perfect read for a plane trip or a long, lazy weekend. --Nancy R.E. O'Brien

From Publishers Weekly

Steel's 48th novel (after *Irresistible Forces*), about weddings Hollywood-style, gets off to a slow start, but just when the singsong prose and bland introductory details begin to get frustrating the plot picks up steam. Beautiful, brainy lawyer Allegra Steinberg's life is one drama after another--once she gets rid of her boyfriend, philandering dullard Brandon Edwards. Her clients are superstar musicians and actors who phone her at 2 a.m. because they've fallen in love or gotten arrested or think they're being stalked. Her family are superstars, too: Mom is TV director Blaire Scott, Daddy is Golden Globe humanitarian-of-the-year producer Simon Steinberg, and then there's her 17-year-old sister, Sam, a leggy model whose pregnancy throws everyone for a loop. Steel's characters are already over-the-top, but leave it to this clever megaselling author to throw not one but three weddings into the mix. Movie stars Carmen Connors and Alan Carr elope, wig-and-polyester-style, in Las Vegas, and Sam secretly marries Jimmy Mazzoleri, who isn't the father of her baby. The centerpiece of the tale, however, is the big one, complete with an odious wedding planner, for Allegra and Jeff Hamilton, a gorgeous, soulful New York writer. Although Steel's prose is predictable, no one can gainsay her charitable heart. On the far side of tears and melodrama, everyone in the cast is redeemed and paired off--even Jeff's anti-Semitic mother and Allegra's sociopathic biological father, who richly deserve one another. (Apr.)
