Editorial Review

Review

"Hintz and Ostry make an important contribution to the study of children's literature. Their excellent introductory survey is followed by ten critical essays that discuss the creation of imaginary worlds, their social organization, and the routes fictional characters must take to reach them."

- "Choice

"Being the first annotated bibliography of utopian and dystopian writing for children and young adults is reason enough for this book to have a place on a shelf. Essential. Lower-division undergraduates through researchers and faculty."

- "Choice

""Utopian and Dystopian Writing for Children will have a permanent place in my bookshelf. Very well edited, its essays are complimentary, wide ranging, thought provoking, and all in all, a very fine contribution to studies of children's fiction generally, and to studies of childrens' fantasy and science fiction more specifically."

-Farah Mendlesohn, Middlesex University, "Science Fiction Studies, 2003

Users Review

From reader reviews:

Leon Moses:

In other case, little individuals like to read book Utopian and Dystopian Writing for Children and Young Adults (Children's Literature and Culture (Paperback)). You can choose the best book if you'd prefer reading a book. Given that we know about how is important some sort of book Utopian and Dystopian Writing for Children and Young Adults (Children's Literature and Culture (Paperback)). You can add knowledge and of course you can around the world by just a book. Absolutely right, due to the fact from book you can learn everything! From your country right up until foreign or abroad you will find yourself known. About simple factor until wonderful thing it is possible to know that. In this era, we are able to open a book or maybe searching by internet unit. It is called e-book. You can use it when you feel uninterested to go to the library. Let's learn.

Teresa Graham:
