After Dark By Phillip Margolin

Gone, But Not Forgotten rocketed Phillip Margolin into the select company of million-selling novelists. Here he displays again the same genius for best-selling suspense in another intricate, breathtaking thriller of multiple murder in the legal community of the Pacific Northwest.

Laura Rizzati, a law clerk for Oregon Supreme Court Justice Robert Griffen, is found slain late one night in the deserted courthouse. Her office is ransacked—but nothing seems to be missing. There are no suspects and no clues.

The following month Griffen himself is killed by a car bomb in the driveway of his Portland home. This time, though, there is a suspect: in a shocking turn of events, Abigail Griffen, star prosecutor in the Multnomah County District Attorney's office and estranged wife of Justice Griffen, is charged with first degree murder.

With the same gripping suspense that drove *Gone, But Not Forgotten* onto the bestseller lists, this is a complex legalthriller with a truly startling ending.

From the Paperback edition.

From Library Journal

If Margolin's new novel of legal intrigue isn't hot stuff, a lot of readers will be disappointed; his *Gone, but Not Forgotten* (LJ 6/15/91) sold over a million copies. Here, a high-profile prosecutor is accused of murder.

Margolin's latest is part courtroom drama, part psychological thriller, part murder mystery, and part love story. But most of all, it's a whopping good read. Young lawyer Tracy Cavanaugh has just spent a year clerking for an Oregon Supreme Court justice and is ready for the big time. She has her pick of prestigious jobs, but she chooses to work for Matthew Reynolds, an eccentric, Abe Lincoln[^]-type lawyer whose reputation is built on the fact that not one of his clients has ever received the death penalty. The first case Tracy works on with Matthew is a tragic one--Abbie Griffen, a brilliant prosecutor, is accused of killing her husband with a car bomb. Matthew, who has admired Abbie's skill in the courtroom for years, is convinced she's innocent. In fact, he thinks she's been framed by psycho Charlie Deems, a murderer Abbie put on death row years ago. Tracy is awed by Matthew's superb handling of the complex case, and she just knows he'll get Abbie off. But in the course of her background research, Tracy stumbles across information that could have shocking, maybe even lethal, consequences, and suddenly all that was right is horribly wrong as the case moves inexorably to an explosive climax that will leave readers breathless. Margolin hit the best-seller lists with *Gone but Not Forgotten* (1993), and he's sure to be back with this one. *Emily Melton*
