The Genesis Effect: Personal and Organizational Transformations By Brian P. Hall

What are your values? What impact do they have on your personal growth, your family life, your professional life? 'The Genesis Effect' is a groundbreaking exploration of the relationship between values and growth. Bringing twenty years of research to his subject, Dr. Brian P. Hall shows how human, spiritual, and institutional growth are interconnected and form a dynamic whole. The author explains how values develop when a person's internal images and ideas interact with the external world. The Genesis Effect is the growth that takes place when these values create transformations in ourselves, in others, and in the organizations we belong to.
