The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead By Carol Kinsey Goman

A guide for using body language to lead more effectively

Aspiring and seasoned leaders have been trained to manage their leadership communication in many important ways. And yet, all their efforts to communicate effectively can be derailed by even the smallest nonverbal gestures such as the way they sit in a business meeting, or stand at the podium at a speaking engagement. In *The Silent Language of Leaders*, Goman explains that personal space, physical gestures, posture, facial expressions, and eye contact communicate louder than words and, thus, can be used strategically to help leaders manage, motivate, lead global teams, and communicate clearly in the digital age.

- Draws on compelling psychological and neuroscience research to show leaders how to adjust their body language for maximum effect.
- Stands out as the only book to address specifically how leaders can use body language to increase their effectiveness
- Goman, a respected management coach, is widely considered as the expert in body language issues in the workplace

The Silent Language of Leaders will show readers how to take advantage of the most underused skills in the leadership toolkit—nonverbal skills—to improve their credibility and stay ahead of the curve.

From reader reviews:

Aaron Covington:

Here thing why this The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead are different and trusted to be yours. First of all looking at a book is good however it depends in the content of it which is the content is as tasty as food or not. The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead giving you information deeper since different ways, you can find any guide out there but there is no e-book that similar with The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead. It gives you thrill examining journey, its open up your eyes about the thing that happened in the world which is probably can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your approach home by train. Should you be having difficulties in bringing the printed book maybe the form of The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead in e-book can be your alternate.

Beverly Ingram:

This book untitled The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead to be one of several books that will best seller in this year, that is because when you read this book you can get a lot of benefit in it. You will easily to buy this specific book in the book retail store or you can order it by means of online. The publisher of this book sells the e-book too. It makes you more readily to read this book, as you can read this book in your Mobile phone. So there is no reason to you personally to past this publication from your list.

Lester Gibbons:

This The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead is great e-book for you because the content which can be full of information for you who always deal with world and get to make decision every minute. This book reveal it info accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead in your hand like having the world in your arm, details in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen moment right but this guide already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Luann Bowen:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Silent Language of Leaders: How Body Language Can Help--or Hurt--How You Lead can make you truly feel more interested to read.
