British Culture: An Introduction By David P. Christopher

This third edition of *British Culture* is the complete introduction to culture and the arts in Britain today. Extensively illustrated and offering a wider range of topics than ever before, David P. Christopher identifies and analyses key areas in language, literature, film, TV, social media, popular music, sport and other fields, setting each one in a clear, historical context.

British Culture enables students of British society to understand and enjoy a fascinating range of contemporary arts through an examination of current trends, such as the influence of business and commerce, the effects of globalization and the spread of digital communications. This new edition features:

- fully revised and updated chapters analyzing a range of key areas within British culture
- new chapters on cyberculture, heritage and festivals
- extracts from novels and plays.

This student-friendly edition also strengthens reading and study skills through follow-up activities, weblinks and suggestions for further research.

David P. Christopher's book is an engaging analysis of contemporary life and arts and, together with its companion website (www.routledge.com/cw/christopher), is essential reading for every student of modern Britain.

Editorial Review

Review

"This is an excellent introductory text for students of contemporary British society and culture. The work is engagingly and clearly written, providing readers with not only an accessible summary of relevant topics but also a range of helpful case-studies. Recently updated, this study should continue to serve as the standard work in this field."

Peter Donaldson, *University of Kent, UK*

"*British Culture* (3rd edition) provides a "complete introduction to culture and the arts," placed in the context of major developments in the political, social and economic history of England, Scotland, Wales and Northern Ireland?as well as the United Kingdom's changing relations to Europe, North America, the Commonwealth, and the wider world?since 1945. Anyone interested in the increasingly plural and complex character of 21st-century Britain will find it an instructive and engaging study. *British Culture* is a versatile accomplishment, and can be profitably read from front to back, or, for more targeted research, approached by individual chapters or sections. Its organization makes it readily accessible as both a survey and a reference."

Richard Floyd, *University of Virginia, USA*

"Unlike many who proffer an introduction to Britain's culture, Christopher focusses on its enviable products. He casts the work of writers and journalists, film and television makers, fashion designers and musicians against a half century of social and political history. A fine book for courses which locate British Literature within a wider context."

Simon Cook, *Utrecht University, The Netherlands*

About the Author

Formerly Associate Professor at the University of La Rioja, Dr. David Christopher is a researcher and author in Culture, Media and Language, and collaborates with universities and arts organizations worldwide.

Users Review

From reader reviews:

Anthony Anderson:

Book is to be different per grade. Book for children right up until adult are different content. We all know that that book is very important for people. The book *British Culture: An Introduction* ended up being making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The book *British Culture: An Introduction* is not only giving you a lot more new information but also to get your friend when you truly feel bored. You can spend your current spend time to read your book. Try to make relationship while using book *British Culture: An Introduction*. You never feel lose out for everything when you read some books.

Patricia Glover:

Playing with family in the park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, after that why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love British Culture: An Introduction, you are able to enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.

Norma Baumgarten:

This British Culture: An Introduction is great publication for you because the content which is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it data accurately using great plan word or we can state no rambling sentences within it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but challenging core information with beautiful delivering sentences. Having British Culture: An Introduction in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no publication that offer you world in ten or fifteen minute right but this book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt this?

Barbara Hall:

This British Culture: An Introduction is completely new way for you who has curiosity to look for some information because it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know otherwise you who still having small amount of digest in reading this British Culture: An Introduction can be the light food to suit your needs because the information inside this kind of book is easy to get simply by anyone. These books create itself in the form that is certainly reachable by anyone, yeah I mean in the e-book form. People who think that in e-book form make them feel drowsy even dizzy this book is the answer. So there is not any in reading a reserve especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss that! Just read this e-book kind for your better life in addition to knowledge.
